Tuition and Fee Payment

Students are enrolled on a conditional basis and may not attend classes until they have paid tuition and fees in full, requested a deferment if eligible for a Title IV financial aid program, or made definite payment arrangements using E-Cashier with the Business Office. Pre-registered students must have tuition and fees paid in full or have financial aid eligibility established before the first day of regular registration to maintain pre-registration class selection priority. All other charges, such as payment for lost instructional materials and charges for overdue or lost materials checked out of the Learning Resources Center, must be made prior to graduation, re-enrollment, or the release of transcripts. Personal checks are accepted for payment of accounts. Students may also use VISA, MasterCard or Discover Card to pay tuition, fees, and books. Students needing a payment plan for tuition and fees can use E-Cashier. Students whose tuition and fees are not paid in full prior to the last day of regular registration will be assessed a late payment fee. Auditing a course(s) requires official admission to the College. See "Auditing Classes" on page 33.

UACCB now offers an online payment plan provided by FACTS Tuition Management. By clicking on the E-Cashier logo on the UACCB website (www.uaccb.edu), students can pay tuition and fees in full or participate in an interest-free payment plan. The earlier students sign up, the more months they have to pay for their individual payment plan. Payments will automatically draft from a checking or savings account, or from a MasterCard, VISA, Discover, or American Express credit card.

A student's residency status for tuition purposes is determined at the time of admission according to the policy established by the University of Arkansas Board of Trustees. **"In-District" residents are legal residents of Independence County. Students shall be admitted to UACCB as "in-state" for fee purposes if, at the time of admission they have established a bona fide domicile in Arkansas and they have resided continuously in this state in that bona fide domiciliary status for at least six consecutive months prior to the beginning of the term or semester for which fees are paid.**
