

University of Arkansas Community College at Batesville
Associate of Science Degree Plan-Business

The Associate of Science in Business degree is designed for students who wish to pursue a bachelor's degree in business at a four-year college or university. UACCB's AS in Business degree consists of 44 credit hours of general education requirements and 18 credit hours in business classes for a 62 credit hour total.

Students in the AS in Business program should research university programs as early as possible. Each college of business has selected their particular directed elective, so students should become informed about specific universities. Students should be aware there are no substitutions to this degree plan.
