

Financial Aid

General Information

The financial aid program at the University of Arkansas Community College at Batesville is designed for qualified, unconditionally admitted students who may not be able to continue their education without financial assistance. Students may receive scholarships, grants, loans, employment opportunities, or a combination of these types of aid. UACCB participates in most federal and state financial aid programs available to students. However, students and their families are expected to pay for college expenses to the extent they are able. Financial aid recipients will be given a copy of the Satisfactory Academic Progress Policy for continued financial aid eligibility upon being awarded aid by the Financial Aid Office. Federal aid is available for students seeking an associate degree, a technical certificate or a certificate of proficiency in EMT or Early Childhood education.

Eligibility for Federal Financial Aid Programs

GENERAL REQUIREMENTS

A student is eligible for financial assistance through Title IV programs (Federal Pell Grant, Federal Supplemental Education Opportunity Grant, Federal Stafford Loan, Federal Plus Loan, or Federal College Work Study) if the following criteria are met:

1. The applicant completes the Free Application for Federal Student Aid (FAFSA). *Students must complete the FAFSA each year.*
2. The applicant is a U.S. citizen or an eligible non-citizen.
3. The applicant is an unconditionally admitted student enrolled at UACCB. Federal aid is available for students seeking an associate degree, a technical certificate or a certificate of proficiency in EMT or Early Childhood education.
4. The applicant maintains satisfactory academic progress.
5. The applicant is not in default on a Guaranteed Student Loan (GSL) and/or does not owe a repayment to a Title IV program at any institution.

ABILITY-TO-BENEFIT

An applicant who does not have a high school diploma from an accredited high school or accredited home school or a GED is eligible to receive financial aid under the following conditions:

1. The applicant is beyond the age of compulsory school attendance in Arkansas; and
2. The applicant demonstrates the “ability to benefit” from postsecondary education by achieving minimal scores on an independently administered test approved by the US Secretary of Education. Tests available at UACCB and required scores are below:

ASSET: Writing 35 Reading 35 Numeric 33
COMPASS: Writing 32 Writing 62 Pre-Algebra 25

Meeting the “ability to benefit” guidelines establishes the applicant’s eligibility to apply for federal financial aid assistance provided under Title IV of the Higher Education Act.

Federal Financial Aid Programs

The Free Application for Federal Student Aid (FAFSA) must be processed to determine eligibility for the following federal financial aid programs.

FEDERAL PELL GRANT

A Federal Pell Grant is awarded to help undergraduate students pay for their education after high school. For purpose of the Federal Pell Grant Program, an undergraduate is one who has not earned a bachelor's or professional degree. These grants provide a "foundation" of financial aid for many students to which aid from other federal sources may be added. Unlike loans, grants do not have to be repaid. The maximum award for the 2006-2007 year will be \$4,050. The amount awarded will depend on the Expected Family Contribution (EFC), on the cost of education, enrollment status, and whether or not attendance is for a full academic year or less.

FEDERAL SUPPLEMENTAL EDUCATION OPPORTUNITY GRANT (FSEOG)

This is a grant intended to supplement other aid received. These grants are federally funded with each school receiving a fixed amount each year. Therefore, funds are awarded to a limited number of undergraduate students with exceptional financial need. A FSEOG does not have to be repaid and usually range from \$200 to \$400 per academic year depending on the availability of funds.

FEDERAL STAFFORD LOAN

The Federal Stafford Loan is available through the Federal Family Educational Loan Program (FFELP) to help students pay for their college education. There are two types of Stafford loans, *subsidized* and *unsubsidized*. Eligibility for subsidized loans is based on financial need as determined by federal guidelines. The federal government pays the interest for subsidized loans while the student is enrolled at least half time and during the six-month grace period after the student ceases attendance on at least a half-time basis. With an unsubsidized loan, the student is responsible for all interest that accrues while attending school and during the six-month grace period. A student may choose to pay only the interest portion while in school, which would keep the loan balance at principal. If a student chooses to defer such payments, the interest will be capitalized, resulting in an increase in both total debt and the amount of monthly payments. Loan repayment begins six months after the student graduates or ceases to be enrolled at least half-time. All borrowers must complete Online Entrance Counseling and a Master Promissory Note at www.opennet.salliemae.com prior

to the first loan disbursement. All borrowers must also complete Online Exit Counseling upon graduation or termination of enrollment. All Federal Stafford Loan funds must be repaid according to the terms specified in the Master Promissory Note.

FEDERAL PARENT PLUS LOAN

Federal Parent Plus Loans enable parents of dependent students to borrow a variable rate, low-interest loan for each daughter or son who is enrolled at least half-time. Parents must pass a credit check with a lending institution to be eligible. Parents may borrow up to their student's total cost of attendance less other financial aid received. The total cost of attendance is determined by the Office of Financial Aid based on an average cost for tuition, books, room and board, travel, and miscellaneous expenses for the academic year. Generally, repayment begins within 60 days after the final loan disbursement is made to the borrower.

FEDERAL WORK STUDY

This program provides jobs for students who qualify and who need an income supplement to help pay for college expenses. Student employment falls into two categories: Federal Work Study, which is determined on the basis of financial need; and Institutional Work Study, which is determined by the degree of work skills possessed and availability of jobs. Earnings will be at least the current federal minimum wage. The total amount that a student earns will depend on the number of hours that the student works each week. Most students work between 10 and 20 hours per week and are paid every two weeks. Types of employment include secretarial, clerical, custodial, library, tutoring, maintenance and some off-campus community service jobs.

How to apply for Federal Financial Aid Programs

Students must complete and submit a *Free Application for Federal Student Aid* (FAFSA) each year to apply for federal student financial aid and to apply for most state and college aid. This application is used to determine eligibility for Financial Aid Programs. Certain types of aid are awarded as funds permit on a first-come, first-served basis to those demonstrating need. All participants are encouraged to apply as early as possible. Applying online with *FAFSA on the Web* is faster and easier than using a paper FAFSA. To apply for financial aid follow the three steps below:

1. Apply Faster – Sign the FAFSA with a U.S. Department of Education PIN. Students can apply for a PIN on the Web at www.pin.ed.gov before beginning *FAFSA on the Web*. Students will receive their PIN within a few days, and then can electronically sign the FAFSA when information is submitted. If student is providing parent information, one parent must sign the FAFSA. To sign electronically, a parent can also apply for a PIN at www.pin.ed.gov.

2. Complete the Free Application for Federal Student Aid (FAFSA) online at www.fafsa.ed.gov or obtain a paper application from the UACCB Financial Aid Office or from a high school counselor and mail in the application. If a student chooses to fill out the FAFSA online, UACCB will receive the results within 3 business days. If a student chooses to mail in the application, UACCB will receive the results within 4 to 7 weeks. The Title IV institutional code for UACCB is **014042**.
3. Complete the UACCB Data form. This form is available from the UACCB Financial Aid Office and online at www.uaccb.edu. The loan applicant must have eligibility established by submitting the FAFSA.

Other Federal Financial Assistance Programs

VETERANS' AFFAIRS

Military service veterans and the sons, daughters, husbands, wives, widows, or widowers of deceased or 100% disabled veterans may be eligible to receive benefits from Veterans' Affairs. For more information call the Department of Veterans' Affairs at 888-442-4551 or go online at www.gibill.va.gov. UACCB's Veterans' Affairs representative is located in the Student Services Department. A student may contact the representative at 870-612-2135.

WORKFORCE INVESTMENT ACT (WIA)

The University of Arkansas Community College at Batesville works with the North Central Arkansas Development Council (NADC) in placing students in programs. This program can assist students with expenses associated with attending UACCB. For more information contact NADC at 870-612-8163.

State Funded Financial Aid Assistance

The Arkansas Department of Higher Education administers financial aid programs that are available to eligible students in the state of Arkansas. These programs include the following:

- Arkansas Academic Challenge Scholarship
- Arkansas Health Education Grant Program
- Governor's Scholars Program
- Law Enforcement Officers Dependents Scholarship
- Minority Teacher Scholarship
- Minority Masters Fellows Program
- Military Dependents Scholarship (formerly MIA/KIA)
- Second Effort Scholarship
- State Teacher Assistance Resource (STAR) Program
- Teacher Opportunity Program
- Workforce Improvement Grant.

For applications and information on these programs contact the Arkansas Department of Higher Education at 800-54-STUDY or go online at www.arkansashighered.com.

Revisions in Financial Aid

Financial aid recipients may experience changes, cancellation or revisions in their financial aid packages due to any of the following reasons:

1. Additional outside aid becomes available.
2. A change in the family's financial circumstances.
3. A change occurs in the student's enrollment status.
4. Failure to meet Satisfactory Academic Progress Policy.
5. Financial aid administrator becomes aware of conflicting information.

It is the student's responsibility to notify the Financial Aid Office of changes that may affect the student's eligibility.

Return of Title IV Funds (R2T4)

It is imperative for students to regularly attend all classes in which they enroll. In order to "earn" the disbursement of the Federal Title IV Financial Aid Funds (Pell Grant, FSEOG, Stafford Loan), a student must remain enrolled in, **and regularly attend**, all classes for the entire enrollment period. A student who officially withdraws from all classes or stops attending all classes at any time may be required by Federal Regulation to return a portion of the "unearned" Federal Title IV Financial Aid Funds. The calculation for the return of these funds may result in the student owing a balance to UACCB and/or the Federal government. Information about the Return of Title IV Funds Policy can be found in the UACCB Financial Aid Office.

Satisfactory Academic Progress Policy

All students enrolled at UACCB must meet the following Satisfactory Academic Progress (SAP) requirements. If a student is not making SAP, their financial aid may be suspended at any time. A student's academic progress will go through an annual review at the conclusion of the spring semester of each school year and/or during the application process. Students on financial aid probation will be reviewed at the end of each semester and each summer term. Transfer work will be evaluated in the same manner as credit hours received at UACCB.

1. Students must be admitted and seeking an associate degree, a technical certificate or a certificate of proficiency in EMT or Early Childhood Education. Students enrolled in a two-year associate program will be allowed the equivalent of six full-time semesters to complete the degree or certificate. Students enrolled in a certificate granting program will be allowed the equivalent of three full-time semesters to complete the certificate. Summer enrollment will be evaluated as one semester. A student pursuing a degree that requires admission to that

program must be admitted to the program by the end of the student's fourth full-time semester.

2. Students must successfully complete, as a minimum, the hours of credit indicated in the **SP Chart**. Allowances will be made on an individual basis for semesters involving remedial courses. As a minimum, students must complete two-thirds of their attempted coursework each semester and maintain a 2.0 G.P.A. (The completion of developmental courses is considered in the two-thirds attempted/completion standard.)

SP Chart

Semester	Cumulative Hours Attempted	Cumulative Earned Hours
1	12	8
2	24	16
3	36	24
4	48	34
5	60	44
6	72	55
7	84	66
8	96	78
9	108	90
10	120	102
11	132	115
12	144	128

3. Withdrawal from the university and/or receiving a 0.00 G.P.A. for a semester is viewed as unsatisfactory progress and will be reviewed at the conclusion of each fall, spring and summer terms.
4. All students must maintain a minimum **G.P.A. of 2.0**, either cumulatively or for the term. If at any point it is clear that a student will not be able to graduate in six semesters, the student becomes ineligible for federal aid. Students repeating courses should have their academic transcript recalculated.
5. **Incomplete** course work will be evaluated as failing grades until the course has been satisfactorily completed or an explanation accepted by the Financial Aid Office.

6. Students pursuing a **second undergraduate degree or certification** will need to submit a degree plan approved by their academic advisor indicating the required courses. If approved by the Financial Aid Office, a new maximum time frame will be established for that pursuit.
7. Students may appeal to have their eligibility restored if there are extenuating circumstances related to their academic progress. Such situations may include unplanned medical conditions, victim of a severe crime, or a participant in a vehicle accident. These situations do not ensure that your appeal will be approved. They are merely examples of situations that have been reviewed in the past and might be considered as extenuating.
8. When a student who has been placed on Financial Aid Denial completes the required coursework to bring him or her back into compliance, it is the student's responsibility to notify the financial aid office via appeal. Any coursework completed while attempting to meet compliance guidelines must be completed at the student's expense.
9. **Students who have attempted more than 60 hours are not eligible for a further appeal if they have a cumulative GPA of less than 2.0. Such students may consult with the UACCB Financial Aid Office to determine whether any other avenues for review may be open to them.**
10. The committee will review appeals on the Wednesday before the first day of class each semester. The committee will also typically review student appeals on the second and fourth Monday of the month. The committee will notify the student of its decision by replying to the email address submitted with the appeal. Neither the committee nor the financial aid staff will give appeal results over the phone.

Submitting an Appeal

Students may appeal to have their eligibility restored if there are extenuating circumstances related to their academic progress. Extenuating circumstances are typically identified as situations beyond the student's control that do not allow him or her to successfully complete the semester; such situations may include unplanned medical conditions, victim of a severe crime, or a participant in a vehicle accident. These situations do not insure that an appeal will be approved they are merely examples of situations that have been reviewed in the past and might be considered extenuating. Students may submit appeals only in writing and must follow the prescribed guidelines below:

The committee will review an appeal only once in any given semester.

Notice: Satisfactory academic progress appeals will typically be reviewed by the committee on the second and fourth Monday of every month. For an appeal to be reviewed on one of these days, the appeal information must be received by the financial aid office by 5:00 p.m. the Friday before.

1. The appeal must include the following: student's full name and student ID number (or social security number) listed on it. Appeals that do not have this information will not be reviewed by the committee.
2. The appeal needs to be typed on standard 8 ½ by 11 paper. The appeal should be double-spaced and no more than two pages in length. Appeals that do not meet these standards will not be reviewed by the committee.
3. The appeal should clearly identify your extenuating circumstances for the term(s) in question.
4. Any necessary documentation that can help validate the appeal should be turned in with the appeal. Such documentation may include hospital records, police records, court records, letter from a doctor, and any documentation that may help in identifying your particular situation. Not all appeals are required to have documentation, but the committee will review an appeal only once in a given semester; therefore, a student submitting an appeal should include all information available to aid in the decision making process.
5. Students who have 30 hours or more are required to submit a degree plan form with their appeal. Appeals that are submitted without a required degree plan will not be reviewed by the committee.
6. Submit your appeal to the Financial Aid & Scholarships Office located in Suite 100 of Independence Hall.

Checking the Status of an Appeal

The committee will notify students of its decision by replying to the e-mail address submitted with the appeal or by letter. Neither the committee nor the financial aid staff will give appeal results over the phone.

UACCB Institutional Scholarships

HIGH SCHOOL SENIOR ACADEMIC SCHOLARSHIP

The High School Senior Academic Scholarship is administered through the UACCB Financial Aid Office. Any questions concerning the scholarship should be directed to the Financial Aid Office at 870-612-2036.

What the Scholarship Covers:

* The High School Senior Academic Scholarship pays \$600 per semester.

* This scholarship is awarded for the duration of four consecutive semesters or through completion of a certificate or degree, whichever occurs first, provided the student maintains all scholarship requirements. The scholarship is not awarded during summer terms.

How to Qualify:

* The scholarship is awarded during the senior year to U.S. citizens who are Arkansas residents graduating from Arkansas high schools.

* Students must submit a scholarship application and an admissions application, official ACT or SAT scores, official high school transcript, and a 500-word essay on how attending college will benefit the applicant. These documents must be received by **March 1** of the year the student graduates from high school.

* Students may qualify for the scholarship in one of the following ways:

1. Rank in the upper 20% of their high school class;

OR

2. Achieve a minimum ACT composite score of 19 and a minimum high school GPA of 2.75.

The High School Academic Scholarship will be effective the fall semester following the applicant's graduation from high school and may be awarded for a maximum of four semesters in which the following standards are met:

1. The student must be enrolled full-time (12 hours) and maintain full-time enrollment through the semester;
2. Be seeking a degree or technical certificate; and
3. Maintain a 3.0 GPA (term and cumulative) each semester of the award.

Once a scholarship is revoked, it cannot be reinstated.

ARKANSAS SCHOLAR BOOK AWARD

UACCB will provide, at no cost, required textbooks for UACCB courses to all students designated as Arkansas Scholars. Each Arkansas Scholar must purchase consumable items such as workbooks, computer disks, and other supplies such as pens, notebooks, etc. with personal funds or other financial aid. Arkansas Scholars must return all textbooks to UACCB at the end of each term. Arkansas Scholars who wish to purchase any of the provided textbooks for their personal libraries will be charged the "used" book

price when the book is returned at the end of the term. The Arkansas Scholars Book Award will be effective following the student's graduation from high school. This award is applicable for fall, spring and summer terms. If a student fails to meet satisfactory academic progress as established by the College, the scholarship will be revoked. If the student does not return all textbooks at the end of each semester or make arrangements to buy the textbooks, the scholarship will be revoked. **Once a scholarship is revoked, it cannot be reinstated.**

GED SCHOLARSHIP

The GED Scholarship is administered through the UACCB Financial Aid Office. Any questions concerning the scholarship should be directed to the Financial Aid Office at 870-612-2036.
