Goals

In order to accomplish its mission and fulfill its vision, UACCB has established a set of strategic goals. Each organizational area is expected to work toward its respective goals and correspondingly contribute to the greater strategic institutional efforts.

General Education Philosophy

The term “general education” at UACCB refers to providing opportunities for students to acquire a body of knowledge and skills held to be relevant to living and working in a diverse society in the twenty-first century. The college has established a required core of general education courses in both its associate degree and technical certificate programs. UACCB also offers general education courses designed to meet the legislative requirements of the State Minimum Core for Associate of Arts and Associate of Science programs.

The general education curriculum is the primary avenue through which students improve their ability to think, reason, compute, communicate, and adapt to change. The entire UACCB faculty and staff are committed to reinforcing, enhancing, and supporting the knowledge and skills acquired through this body of courses and are further committed to introducing general skills and knowledge not necessarily covered in depth in other classes.

The UACCB general education curriculum will provide each student the opportunity to accomplish the following:

1. Improve communication skills, which include listening, speaking, writing, and reading.
2. Increase proficiency in applying mathematical concepts.
3. Acquire a basic knowledge of scientific concepts and principles.
4. Develop basic computer skills.
5. Increase proficiency in problem solving through creative and critical thinking.
6. Acquire knowledge of the historical, social, and cultural behavior of humankind.
7. Increase the effective use of the library and other information resources.
8. Develop work habits, work ethics, and interpersonal skills that contribute to and promote team problem solving.
9. Develop skills to enhance life-long learning.

The General Education Program for Associate of Applied Science students is designed to be completed in the first three semesters of full-time attendance. The requirements in English and mathematics are to be met before 30 hours of technical course work are completed.

Financial Aid

General Information

The financial aid program at the University of Arkansas Community College at Batesville is designed for qualified degree seeking, unconditionally admitted students who may need financial assistance to continue their college education. Students may receive scholarships, grants, loans, employment opportunities, or a combination of these types of aid. UACCB participates in most federal and state financial aid programs available to students. Financial aid recipients will be emailed a copy of the Satisfactory Academic Progress Policy each semester and it is also available

on the UACCB website. Federal aid is available for students seeking an associate degree, a technical certificate or approved certificates of proficiency.

Eligibility for Federal Financial Aid Programs

GENERAL REQUIREMENTS

A student is eligible to apply for financial assistance through Title IV programs (Federal Pell Grant, Federal Supplemental Education Opportunity Grant, Federal Stafford Loan, Federal Plus Loan, or Federal College Work Study) if the following criteria are met:

1. The applicant completes the Free Application for Federal Student Aid (FAFSA). *Students must complete the FAFSA each year.*
2. The applicant is a U.S. citizen or an eligible non-citizen.
3. The applicant is an unconditionally admitted student enrolled at UACCB.
4. The application is seeking an associate degree, a technical certificate or approved certificates of proficiency.
5. The applicant maintains Satisfactory Academic Progress (SAP).
6. The applicant is not in default on a Guaranteed Student Loan (GSL) and/or does not owe a repayment to a Title IV program at any institution.

Federal Financial Aid Programs

The Free Application for Federal Student Aid (FAFSA) must be processed to determine eligibility for the following federal financial aid programs:

FEDERAL PELL GRANT

A Federal Pell Grant is awarded to help undergraduate students pay for their education after high school. In compliance with the Federal Pell Grant Program, an undergraduate is one who has not earned a bachelor's or professional degree. This grant program provides a "foundation" of financial aid for many students to which aid from other federal sources may be added. Unlike loans, grants do not have to be repaid. The amount awarded will depend on the Expected Family Contribution (EFC), on the cost of education, enrollment status, and whether or not attendance is for a full academic year or less.

FEDERAL SUPPLEMENTAL EDUCATION OPPORTUNITY GRANT (FSEOG)

The FSEOG is a grant intended to supplement other aid received. These grants are federally funded with each school receiving a fixed amount each year. Therefore, funds are awarded to a limited number of undergraduate students with exceptional financial need. FSEOG awards do not have to be repaid and usually range from \$200 to \$400 per academic year depending on the availability of funds.

FEDERAL STAFFORD LOAN

The Federal Stafford Loan is available through the William D. Ford Direct Loan Program to help students pay for their college education. There are two types of Stafford loans, **subsidized** and **unsubsidized**. Eligibility for subsidized loans is based on financial need as determined by federal guidelines. The federal government pays the interest for subsidized loans while the student is enrolled at least half time and during the six-month grace period after the student ceases attendance on at least a half-time basis. With an unsubsidized loan, the student is responsible for all interest that accrues while attending school and during the six-month grace period. A student may choose to pay only the interest portion while in school, which would keep the loan balance at principal. If a student chooses to defer such payments, the interest will be capitalized, resulting in an increase in both total debt and the amount of monthly payments. Loan repayment begins six months after the student graduates or ceases to be enrolled at least half-time. All borrowers must complete Online Entrance Counseling and a Master Promissory Note prior to the first loan disbursement. All borrowers must also complete Online Exit Counseling upon graduation or termination of enrollment. All federal loan funds must be repaid according to the terms specified in the master promissory note.

FEDERAL PARENT PLUS LOAN

Federal parent plus loans enable parents of dependent students to borrow a variable rate, low-interest loan for each daughter or son who is enrolled at least half-time. Parents must pass a credit check with the US Department of Education to be eligible. Parents may borrow up to their student's total cost of attendance less other financial aid received. The total cost of attendance is determined by the Office of Financial Aid based on an average cost for tuition, books, room and board, travel, and miscellaneous expenses for the academic year. Generally, repayment begins within 60 days after the final loan disbursement is made to the borrower.

FEDERAL WORK STUDY

The federal work study program provides jobs for students who qualify and who need an income supplement to help pay for college expenses. Student employment falls into two categories: Federal Work Study, which is determined on the basis of financial need; and Institutional Work Study, which is determined by the degree of work skills possessed and availability of jobs. Earnings will be at least the current federal minimum wage. The total amount that a student earns will depend on the number of hours that the student works each week. Most students work between 10 and 20 hours per week and are paid every two weeks. Types of employment include secretarial, clerical, custodial, library, tutoring, maintenance and some off-campus community service jobs.

How to Apply for Federal Financial Aid Programs

Students must complete and submit a *Free Application for Federal Student Aid (FAFSA)* each year to apply for federal student financial aid and to apply for most state and college aid. This application is used to determine eligibility for Financial Aid Programs. Certain types of aid are awarded as funds permit on a first-come, first-served basis to those demonstrating need. All participants are encouraged to apply as early as possible. Applying online with *FAFSA on the Web* is faster and easier than using a paper FAFSA. To apply for financial aid, complete the FAFSA online at www.fafsa.ed.gov or obtain a paper application by calling 1-800-4-FED-AID and mail in the application. If a student chooses to fill out the FAFSA online, UACCB will receive the results within 3 business days. If a student chooses to mail in the application, UACCB will receive the results within 4 to 7 weeks. The Title IV institutional code for UACCB is 014042.

Other Federal Financial Assistance Programs

TRIO/STUDENT SUPPORT SERVICES

Student Support Services (SSS) is a part of the federally grant funded TRiO program. Participants of the program who complete contract requirements and demonstrate academic progress are eligible to apply for SSS grant aid which is distributed annually in the spring semester. Contact the Director of SSS for additional information.

VETERANS' AFFAIRS

For applications and information on these programs contact the Arkansas Department of Higher Education at 800-54-STUDY or go online at www.adhe.edu.

Revisions in Financial Aid

Financial aid recipients may experience changes, cancellation or revisions in their financial aid packages due to any of the following reasons:

1. Additional outside aid becomes available.
2. A change in the family's financial circumstances.
3. A change occurs in the student's enrollment status.
4. Failure to meet Satisfactory Academic Progress Policy.
5. Financial aid administrator becomes aware of conflicting information.

It is the student's responsibility to notify the Financial Aid Office of changes that may affect the student's eligibility.

Return of Title IV Funds (R2T4)

Students who withdraw or are administratively withdrawn from school prior to the 60% completion point of any semester will require a R2T4 calculation to determine how much of their financial aid was earned and how much should be paid back to the school and/or federal government. The withdrawal date is the date that the Registrar's office receives the official withdrawal form. For a student who did not provide notification of his or her withdrawal to the institution, the date that the institution becomes aware that the student ceased attendance should be used as the withdrawal date. If the student ceases attendance without providing official notification to the institution of his or her withdrawal, the mid-point of the payment period or the last date of recorded attendance is used as the withdrawal date. Only students who have withdrawn from all classes are subject to the return of Title IV funds formula.

The amount that is returned is calculated using the percentage of aid earned by calculating the percentage of the period that the student completed based on the withdrawal date. The amount of aid a student received is considered in the calculation to determine how much was actually earned. If unearned funds are to be returned, the amount that the student or the school must return is calculated.

For a student who provides notification to the institution of his or her withdrawal, R2T4 is determined by the student's withdrawal date or the date of notification of withdrawal, whichever is later. For a student who did not provide notification of his or her withdrawal to the institution, the date that the institution becomes aware that the student ceased attendance is used as the withdrawal date.

Students who unofficially withdraw are identified as having all failing grades (F) on their semester grade report. If students who unofficially withdraw are able to provide documentation proving their attendance in any class after the mid-point of the semester, the financial aid office will then recalculate R2T4 funds based on the modified date as the withdrawal date.

R2T4 funds will be returned using the following priority:

1. Unsubsidized Federal Stafford loans
2. Subsidized Federal Stafford loans
3. Federal PLUS loans
4. Federal Pell Grants for which a return of funds is required
5. Federal Supplemental Educational Opportunity Grants

Satisfactory Academic Progress Policy

All students enrolled at UACCB who receive any Title IV aid should meet the following Satisfactory Academic Progress (SAP) requirements. Students' academic progress will go through a review at the conclusion of each semester of each school year and/or during the application process. Transfer work will be evaluated in the same manner as credit hours received at UACCB.

1. Students must be admitted and enrolled in an associate degree or eligible certificate granting program.
2. Each semester students must also complete a minimum of 67% of cumulative attempted hours. Completed credits include grades of A, B, C, D and P (Pass). For example, the maximum time frame for a 60 credit hour program is 90 hours. 60 divided by 90 is 67%. If a student earns 67% of the credits attempted in each term, the student should complete the program within the maximum time frame. If the student takes 12 credit hours in the fall and earns 12 credit hours, the student has earned 100% of credits attempted. In the spring, the student enrolls in 18 credit hours and earns 15 credit hours. He has earned 27 out of 30 attempted hours. 27 divided by 30 is a pace of 90%.
3. Withdrawal from the College and/or receiving a 0.00 G.P.A. for a semester are viewed as unsatisfactory progress and those students will be placed on financial aid suspension. Students who withdraw from classes or drop classes will have those courses counted as attempted credits, but not completed credits. (The completion of remedial courses is considered in the 67% attempted/completion standard above.)
4. Incomplete course work will be evaluated as failing grades until the course has been satisfactorily completed or an explanation accepted by the Financial Aid Director. Incomplete courses are considered as attempted credit and are evaluated as incomplete coursework for satisfactory academic progress. Incomplete courses are not considered as part of a student's GPA, but will be considered as part of the overall timeframe to complete a program of study. The grade "I" should only be assigned when a student has not completed a significant component of a course (i.e. an exam, paper or project) and the student has a valid rationale for this failure. A student receiving an "I" must meet with his/her instructor and contractually make arrangements to complete the course requirements no later than the end of the next regular semester (fall or spring). The student should maintain a copy of this contract for reference. The instructor, division chair and the Director of Student Information/Registrar will also keep copies of the contract.

Faculty members will submit the grade by the end of the next regular semester following the one in which the "I" designation was received. The College will change the "I" designation to a grade of "F" if a grade is not assigned within the specified time period. A student may petition for an extension not to exceed one year because of

extenuating circumstances. A written request by the student should be submitted to and approved by the Vice Chancellor for Academics. Students may not re-register to take a course for which an "I" designation has been received until the grade designation has been changed.

5. Students must achieve a cumulative 2.0 GPA at the end of each semester to maintain satisfactory academic progress.
6. If a student changes his/her program of study while attending UACCB, he/she should notify the Financial Aid Office. All credits under all programs of study will be included in the calculation of attempted, earned, and maximum timeframe credits, as well as the cumulative GPA calculation. If a student continues to take classes toward a second degree, after completing all required coursework for a first degree, the student may continue to receive financial aid as long as he meets the 150% timeframe and GPA requirements for the second degree. Students pursuing a second undergraduate degree or certification will need to submit a degree plan approved by their academic advisor indicating the required courses. If approved by the financial aid office, a new maximum time frame will be established for that pursuit.
7. If a student repeats courses, all of the attempted credits for each attempt will be considered as part of the calculation for attempted and earned credits. Only the most recent attempt of the course will be considered as earned credit, providing the student completes the course. Repeated courses will not be considered as part of the student's GPA for the purposes of satisfactory academic progress evaluation. For a student who is eligible for financial aid, only the first two attempts of a course will be funded.
8. Remedial courses taken while receiving financial aid are considered as attempted credit hours and are evaluated as part of the calculation for PACE. Additionally, remedial courses are considered credit courses and will be evaluated as part of the student's GPA.
9. If a student does not make satisfactory academic progress he/she will be placed on Financial Aid Warning. The student may continue to receive Title IV aid for the following semester. No appeal is necessary.
10. At the end of the Warning semester if the student makes satisfactory progress, the Warning status is removed. If the student does not make satisfactory progress, the student will be placed on financial aid suspension.
11. The student may submit a written appeal of financial aid suspension to the UACCB Financial Aid Office if extenuating circumstances exist. Examples of extenuating circumstances may include death of a relative or student injury/illness. The appeal must include why the student failed to make satisfactory progress and what has changed that will allow the student to make satisfactory progress at the next evaluation. The appeal may be approved with one of the following status definitions:
 - Probation: With this status the student would be eligible for Title IV aid for one additional semester only. If the student does make satisfactory progress at the end of the Probation semester, his status will be updated to Satisfactory. If the student does not make satisfactory academic progress, the student's financial aid will be placed in a Terminated status with no further avenue for appeal.
 - Academic Plan: With this status an individualized academic plan would be developed for the student that will allow the student to make satisfactory academic progress standards by a specific point in time. Examples of

academic plan requirements may include, but are not limited to, regularly scheduled meetings with an academic advisor, minimum number of visits to the Student Success Center and financial literacy workshops. At the conclusion of the Academic Plan, if the student does make satisfactory progress, his status will be updated to Satisfactory. If the student is not making satisfactory academic progress the student's financial aid will be placed in a Terminated status with no further avenue for appeal.

UACCB Bookstore

Located in Independence Hall, the Bookstore stocks all required textbooks for UACCB courses, as well as, a variety of supplies and miscellaneous items. The Bookstore is in operation Monday through Friday with extended hours during registration.

The Bookstore also offers students the opportunity to return books for cash during semester "Book Buy Back" events. Dates of these events are published on a semester basis.

Campus Health Care

UACCB does not have an on-campus health-care clinic; therefore, it does not provide health-care service to its students, faculty, or staff. It is the policy of the College to encourage individuals with health-care needs to seek out available area agencies and/or the individual's personal physician.

Housing

No housing facilities are provided by UACCB.

Identification Numbers and ID Cards

All UACCB students, faculty, and staff are required to carry their UACCB identification card whenever they are on campus. The UACCB Student ID Card displays the student's name and ID number, color photograph, and the date of issue. The ID number is used for logging into the UACCB computing network and accessing student information online. During emergencies and other periods of heightened security, access to the campus may be limited to those UACCB students, faculty and staff in possession of a current, valid UACCB identification card.

Identification cards are issued to all students during orientation and registration. Students may also obtain their student ID card in the Enrollment Center in the Main Classroom Building (MCB). A Student ID Card may occasionally require replacement. A fee is not charged if the student's current card is exchanged for a new card. For a name change or correction, documentation of the student's legal name is required (driver's license, passport, state issued ID, marriage license, etc.). Only current students may receive replacement ID cards. Lost or stolen Student ID Cards can be replaced at the Enrollment Center. The student must present some other form of positive identification (picture ID) to replace a lost or stolen card. **There is a \$10 charge for the replacement of a lost card.**

The lending, selling or illegal production of identification cards is strictly prohibited. UACCB identification cards remain the property of the College and are provided for appropriate use for identification and access to services. The card is not transferable and is valid as long as the holder continues her/his affiliation with UACCB. The use of a UACCB Student ID card by anyone other than that student is prohibited and may constitute a violation of the Student Code of Conduct Code subjecting the student to disciplinary action by the College. Students are encouraged to guard their Student ID Card as they would a driver's license, credit cards, or cash.

Cards issued to employees, students, and individuals affiliated with UACCB must be returned upon separation from the College. Student ID card must be surrendered upon request of faculty or staff.

Insurance

Medical and/or accident insurance is the responsibility of the student.

Campus Computer Labs

UACCB currently has four computer labs located in the Main Classroom Building. Three are dedicated to classroom instruction and one is a computer-networking lab. The open computer lab, located in the Roy Row, Sr., and Imogene Row Johns Library and Academic Building, is supervised during normal hours by lab staff that are available to assist students who need computer help.

Most of the computer labs provide internet access, and all of the labs are loaded with software programs used in UACCB's curriculum. In order to use any computer on campus, students must have a current student identification card that may be obtained in the Enrollment Center located in the Main Classroom Building.

Roy Row, Sr., and Imogene Row Johns Library and Academic Building

The Library which is located in the Roy Row, Sr., and Imogene Row Johns Library and Academic Building plays a vital role in the instructional program of the College. As the information center for the College, it provides the following resources: books, computer access to the Internet, computerized information research, and periodicals and audio-visual materials.

The Library is open to all UACCB students, faculty, and staff. Use of the Library and its materials is also extended to members of the community. Tours of the Library and instruction in the use of resources are given to groups on request; individual assistance is always provided. Library materials and equipment are selected to support the curriculum and to serve the instructional needs of the students and faculty. All processed materials are arranged in open stacks using the Library of Congress Classification System.

Vehicle Registration/Parking

All students, faculty, and staff who operate a vehicle on the UACCB campus must display a UACCB parking hang tag. Hang tags are provided at no charge and may be obtained at the Enrollment Center located in the Main Classroom Building.

All parking on the UACCB campus is restricted to clearly marked spaces with white lines except in the gravel parking areas on the north end of the campus and east of the NAH building. Students, faculty and staff may park in any of the College's marked spaces except those clearly identified for "Disability" or "Visitor." Parking along curbs or in unmarked spaces along the roadways is prohibited. Vehicles left unattended on the campus in locations not clearly marked for parking will be considered a safety hazard and may be towed at the owner's expense and result in disciplinary action. Reasonable speeds and observance of pedestrian traffic and crosswalks must be followed.

Purpose of UACCB parking hang tag:

- Identifies you as a UACCB student, faculty member, or staff member and assures your vehicle is recognized as being legally parked on the UACCB campus
- Allows quick identification of vehicle and owner during an emergency

When to change parking hang tag:

- If UACCB parking tag style, color, or shape changes
- If parking tag is damaged and no longer legible

Proper parking and traffic procedures:

- Observe all stop signs, speed bumps, and pedestrian crossings.
- Properly display current UACCB hang tag on the review mirror.
- Do not park in zones marked with yellow paint or where prohibited by signs.
- Do not park or block access to aisles or spaces designated as parking for disabled persons unless the proper permit is displayed on or in your vehicle.
- Park in authorized spaces only—authorized spaces are those in paved parking lots with painted white lines on both sides of the space.
- Do not double park (i.e. take up more than one parking space).
- Do not exceed 10 miles per hour while on campus.
- Be aware that traffic coming into the campus is not obligated to stop.

- If paved parking spaces are not available, parking is allowed in the graveled parking area north of the Main Classroom Building and east of the Nursing & Allied Health Building. When parking in this area, do not block other vehicles or roadways.
- Do not leave vehicle parked on campus overnight without permission from the Vice Chancellor for Enrollment Management and Student Services.
- Vehicle incidents or accidents should be reported immediately to the Vice Chancellor for Enrollment Management and Student Services, located in MCB 203.

Campus Security

UACCB strives to provide a safe and secure environment for students, faculty, staff, and guests. Students are encouraged to report crimes or suspicious activity to the Vice Chancellor for Enrollment Management and Student Services. Employees of the college are responsible for calling outside assistance if deemed necessary. UACCB contracts with a private security firm to provide security officers on the campus.

An important component of security on campus is student behavior. Students are expected to comply with the standards of conduct published in the *UACCB Student Handbook*, which is provided on the UACCB website and in print upon request.

The Vice Chancellor for Enrollment Management and Student Services prepares an annual crime report in compliance with the Jeanne Cleary Disclosure of Campus Security Policy and Crime Statistics Act. The full text of this report can be located on the UACCB website at www.uaccb.edu/security.html. This report is prepared in cooperation with local law enforcement agencies, the Administrative Cabinet, and the Division of Enrollment Management/Student Services. Each entity provides updated information concerning criminal offenses, the campus Crisis Plan, incident reports, and educational efforts and programs to comply with the Act. Campus crime, arrest, and referral statistics include those reported to designated campus officials and local law enforcement agencies are included in the report.

Each year, an email notification which provides the website to access this report is sent to all enrolled students, faculty and staff. Copies of the report may also be obtained in the Office of the Vice Chancellor for Enrollment Management & Student Services.

Student Right to Know

The Student Right-to-Know Act requires schools to disclose information about graduation rates to current and prospective students and the public. A school participating in any Student Financial Aid Program must disclose completion and transfer-out rates for the general student body. This information is updated annually and can be found on UACCB's website.

Student Activities and Organizations

The College believes that activities outside the classroom enrich, supplement, and provide a testing ground for classroom learning. These activities offer opportunities for students to enjoy social growth and for the development of values and insights. The Division of Enrollment Management and Student Services works with students and faculty to provide activity programs appropriate to students' needs and seeks to provide an environment in which students may become self-disciplined, self-reliant, and socially sensitive individuals.

Students have the opportunity to become members of UACCB clubs and organizations. They may take part in College-sponsored activities for which they are eligible. Hobby, social, or civic clubs may be organized by students. To establish a club, see the Vice Chancellor for Enrollment Management & Student Services for more information. All student organizations must have faculty and/or staff sponsors.

Formation of Student Organizations

Constitution

Any group petitioning for recognition as a student organization must present a constitution, following a standard form to facilitate reference, to the Vice Chancellor for Enrollment Management and Student Services. The Constitution must contain the following information:

- Name of the organization

- Purpose of the organization
- Membership and officer eligibility requirements
- Listing of officers by title, and any special functions of officers
- Statement of the terms of the officers and the time and method of election
- Frequency of meetings
- Statement of any membership dues (amount and frequency of payment should be stated in the by-laws) and statement that provides provisions for disposition of any funds in the event of dissolution of the organization
- Provision for faculty advisors
- Statement of nondiscrimination prohibiting discrimination on the basis of age, color, disability, national origin, race, religion, sex, or veteran status. However, a student organization formed to foster or affirm the sincerely held religious beliefs of its members may adopt a nondiscrimination statement that is consistent with those beliefs.
- Any other provisions relating to the purpose and function of the particular organization

Purpose

The statement of purpose shall be acceptable:

- if it is reasonably clear and specific as to the aims and activities of the organization;
- if it is in harmony with the United States constitutional form of government;
- if the stated aims and activities of the organization are compatible with the purpose of the College;
- if it is not a duplication of an existing organization; and
- if it complies with Federal Title IX requirements.

Size and Continuity

No maximum or minimum number of members shall be required for initial recognition. The group petitioning, however, and the anticipated membership as represented by the eligibility requirements, should be sufficient to give reasonable prospects of continuity for the organization and ability to carry out the purposes stated in the constitution. For the continuing recognition of an organization, a minimum of 5 members normally will be expected.

Membership: Eligibility and Records

- Voting membership in recognized student organizations shall be limited to students enrolled in at least three credit hours. Accurate membership records must be maintained and available to the faculty advisor.
- Officers must be regularly enrolled students. To be eligible to serve as an officer in a recognized student organization a student must have a grade point average of 2.0 cumulatively, and not be on disciplinary or academic probation at the time the student petitions for office.
- A student officer who is placed on academic or disciplinary probation during his or her term of office may be removed by the Vice Chancellor for Enrollment Management and Student Services
- A student officer who is not performing his or her duties may be removed from office on the recommendation of the Vice Chancellor for Enrollment Management and Student Services.
- When an election is held in a recognized student organization the names of the new officers must be transmitted to the Office of the Vice Chancellor for Enrollment Management and Student Services within one week.
- Only associate nonvoting memberships in a recognized student organization may be offered to UACCB faculty, professional administrative staff, and non-students.

Eligibility Criteria

No campus organization may offer any type of membership to persons not meeting the eligibility requirements stated in this section.

Review and Approval

One typewritten copy of the proposed constitution, together with the names of promoting students and faculty advisor(s), must be submitted to Office of the Vice Chancellor for Enrollment Management and Student Services who will seek review and approval from (1) the appropriate chartering body and (2) the Cabinet. The granting of final authorization to extend recognition will be determined by the Chancellor. During the time that its application for recognition is being considered, the group may not sponsor speakers or other activities in the name of the proposed organization.

Any change or amendment affecting the nature or purpose of the organization as originally approved must also be approved by the Vice Chancellor for Enrollment Management and Student Services, and an up-to-date copy of the constitution must be on file in the Office of the Vice Chancellor for Enrollment Management and Student Services.

Withdrawal of recognition may be initiated by the Office of the Vice Chancellor for Enrollment Management and Student Services pending a review of the actions of the organization within a reasonable period of time:

- When election of officers, as specified in the constitution, is passed twice without any action having been reported to the Office of the Vice Chancellor for Enrollment Management and Student Services.
- When the organization does not show a reasonable amount of activity in promoting the ends and purposes specified in its constitution as evidenced by membership meetings and other activities. (Recognized student organizations are expected to comply when requested by the Vice Chancellor for Enrollment Management and Student Services to provide a brief report on their year's activities.)
- When a recognized student organization fails to conduct its activities in accordance with its constitution and with the procedures and limits set forth by the College for student organizations.
- When a recognized student organization fails to reregister with the Office of the Vice Chancellor for Enrollment Management and Student Services on a yearly basis.

Following the review, the final decision to continue recognition, impose censure, place on temporary probation with conditional recommendations, or place on temporary or permanent suspension of recognition will be made by the Vice Chancellor for Enrollment Management and Student Services, subject to appeal to the Chancellor of the College.

Any organization suspended through inactivity may be reactivated by application to Vice Chancellor for Enrollment Management and Student Services for activities by a group reaffirming its existing constitution and showing reasonable prospects of organizational continuity. Recognition shall be withdrawn from any organization maintaining inactive status for two years.

Advisors

An advisor is the faculty or staff member(s) selected by an organization to officially advise the group. At least one advisor should attend all organizational meetings and activities occurring on campus. All student organizations must have one or more qualified advisors. When the membership exceeds 25, organizations are urged to obtain an additional advisor.

Any full-time faculty or staff member at UACCB may serve as an advisor to a student organization. The Vice Chancellor for Enrollment Management and Student Services should be notified of any change in advisors.

A faculty or staff member who meets the qualifications for an advisor and who agrees to the request of a student organization to serve as its advisor should encourage that organization in its purposes and activity within the limits of College policy. Advisors should be familiar with:

- this policy and other College regulations pertaining to student organizations,
- the constitution and purposes of the student organization they are advising, and
- the activities and projects of their organization.

Speakers and special programs sponsored by student organizations must be made known to the advisor and be in accordance with standards set forth by UACCB.

Student Organizations Funds

All registered student organizations are required to keep all organization funds in a UACCB agency account maintained by the College.

Fund-Raising (Solicitation) Policy

In order to protect the privacy of individual students as well as to maintain harmony and good will within the UACCB service area, the following policy for solicitation has been adopted:

Organizations desiring to sell or solicit on or off campus must obtain permission from the Director of Development. Student organizations may be permitted to hold fund-raising events on campus under the following conditions:

1. Student organizations may hold fund-raising activities (solicitations) that are reasonable and appropriate given the organization's purpose. Fund-raising activities (solicitations) shall be defined as (1) requesting donations, without products or services being rendered or (2) activities which raise funds through the sale of merchandise or services for the benefit of the recognized organization, for the educational purposes of UACCB or for the selected philanthropic project of the organization. Off-campus solicitations are not to occur more than three times per semester with a maximum of six per year for each requesting organization.
2. The president (or designee) of a student organization will submit a request for each fund-raising event to the Director of Development at least one week prior to the requested date(s) of the fund-raising. The Director of Development will review the request for eligibility (recognized student organization; number of previous events held during the academic year) and appropriateness (for benefit of the student organization rather than the benefit of an outside vendor; consistency with purpose of the organization). Outside firms, businesses, or agents are forbidden to solicit on campus whether it is through a regular employee of the company or a student representative, except where a written contract exists with the College.
3. Promotional materials, posters, signs, etc. should be in compliance with the established policies stated in the UACCB Student Handbook. These policies, among other things, prohibit posting of signage on building surfaces. Clean up would also include removal of posting materials, posters, signs, etc. Signs, banners, posters, promotional material etc. posted by the organizations should not directly or indirectly promote commercial enterprises not having existing contracts with the College.
4. The sale of food items may be restricted by the Vice Chancellor for Finance & Administration and must have prior approval. The sale or distribution of alcoholic items is prohibited.
5. All events are subject to general College policies contained in the Student Handbook. Failure to comply with College policies may preclude an organization from having additional fund-raising events.

Student Rules and Rights

Student Conduct

Students at UACCB are expected to conduct themselves as responsible individuals. By applying for admission, UACCB students and/or prospective students agree to abide by all College policies, procedures, and rules of conduct. The College maintains jurisdiction over students during their period of enrollment on all matters related to the College. Official representatives of UACCB reserve the right to take disciplinary action against students who have violated the student conduct code or College regulations.

The section on "UACCB General Regulations" below enumerates UACCB's specific policies, the violation of which may subject an individual to disciplinary action.

Student Conduct Code

Disciplinary measures shall be applied to any student misconduct that adversely affects the learning community's pursuit of educational objectives, which are defined as:

1. The safety, health and welfare of all members of the learning community.
2. The opportunity of all members of the learning community to pursue educational goals.
3. The maintenance of a learning environment conducive to intellectual and educational development.

4. The protection of college property.

UACCB General Regulations

The College believes that it is unnecessary to design regulations to cover in detail all matters of student conduct. However, some of the more serious offenses, regardless of whether they occur on or off campus, which are subject to disciplinary action or restricting action, are:

1. plagiarism or cheating; forgery, alteration, destruction or misuse of College records, documents, or identification; knowingly furnishing written or verbal false information to the College; or other similar forms of dishonesty in College-related affairs;

7. use or possession on College-owned property or buildings of firearms, weapons, explosives, fireworks, air guns, paint ball guns, war souvenirs, tear gas, or pyrotechnic devices;
8. depositing or discarding trash or litter on campus in other than appropriate trash and waste containers. No person shall throw or discard paper, bottles, cans, or any substance deemed as litter inside buildings or on campus property including all streets, walks, lawns, etc.;
9. causing any type of false alarm, disaster, fire, threat of bomb, or deliberate misuse of fire equipment (For the protection and welfare of the students of UACCB, any student who shall give, or cause to be given, any type of false alarm of fire and/or threat of a bomb, or who shall deliberately misuse firefighting equipment, shall, upon being found guilty, be subject to action by the College resulting in possible suspension. Any nonstudent involved in the above offense will be referred to the civil authorities.);
10. harassing another person; addressing harassing language, slanderous and/or libelous language, or fighting words to a person; following a person in or about a public place or places (e.g., stalking);
11. assaulting another person; attempting or threatening to strike, kick, or otherwise subject another person to unconsented physical contact;
12. making obscene utterances, gestures, or displays; or engaging in a course of conduct or repeatedly committing acts that are disorderly;
13. theft of or damage which is done individually or as a member of a group to property belonging to the College or belonging to a member of the College community, campus visitor, or to public or private property adjacent to the campus;

19. use of skateboards, inline and roller skates on College premises during the published, prohibited hours;

Reporting Violations

Students, faculty, and staff should report an alleged incident of misconduct to the Vice Chancellor for Enrollment Management and Student Services.

Good Samaritan Provision

The health and safety of UACCB College's students is of the highest priority. At times, students may need immediate medical or other professional assistance. However, students may be reluctant to get help because of concerns that their own behavior may be a violation of the student conduct code. To minimize any hesitation students or student organizations may have in obtaining help due to these concerns, the College has enacted the following "good samaritan" provision. Although policy violations cannot be overlooked, the College will consider the positive impact of reporting an incident when determining the appropriate response for policy violations. In such cases, any possible negative consequences for the reporter of the problem should be evaluated against the possible negative

consequences for the student who needed assistance. At a minimum, students or student organizations should make an anonymous report that would put the student in need in touch with professional helpers. Examples where this policy would apply include:

1. A student is reluctant to call an ambulance when a friend becomes unconscious following excessive consumption of alcohol because the reporting student is under the age of 21 and was also consuming alcohol.
2. A student is reluctant to report that he/she has been sexually assaulted because he/she had been consuming alcohol and is under the age of 21. It is in the best interests of this community that as many victims as possible choose to report to College officials. To encourage reporting incidents of sexual misconduct, UACCB pursues a procedure of offering victims of sexual misconduct limited immunity from being charged for policy violations related to the sexual misconduct incident. Thus, although the College may not impose disciplinary charges, the College may mandate educational options (such as alcohol and other drug assessments and attendance to alcohol education programs) in such cases.

Discipline Procedures

The disciplinary procedures of UACCB, as all activities on a College campus, are designed to be a part of the educational process and normally cover a wide spectrum of disciplinary measures which may range from counseling to dismissal.

UACCB College recognizes the basic rights of the individual, and provides guarantees to the students, which grow out of the fundamental conception of fairness implicit in procedural due process.

In order to protect the educational process of the College and at the same time to protect the rights of all students, the College has authority to develop and enforce regulations and to impose disciplinary penalties on students found responsible for offenses or violations of rules and regulations. The process for enforcement of College rules and regulations for student conduct shall conform to the procedures stated below. However, motor vehicle regulations and procedures under which the College applies to collect monies continue in force, and adjudication of questions arising under them need not comply with the following procedures when controversies are amenable to these procedures.

The Vice Chancellor for Enrollment Management and Student Services is charged with the responsibility of initiating student disciplinary procedures and meeting with the student. In the process of meeting and counseling with the student, which may sometimes comprise two or more interview appointments, a determination of responsibility will be made, or the Vice Chancellor may schedule a hearing before the Judicial Subcommittee of the Student Affairs Committee in the event of severe violations.

All charges and possible disciplinary actions shall be presented to the accused student in written form sent or delivered to the address listed in the registrar's records. This shall constitute full and adequate notice. However, the College reserves the right to use other reasonable means to notify students. This includes, but is not limited to, the use of the College e-mail system. The failure of a student to provide an address change or forwarding address, or the refusal or inability to accept the mailed notice, shall not constitute good cause for failure to comply with the notification.

The student will be informed by written notice of the finding of responsibility and sanction, if any. Except when a hearing already has been requested by the Vice Chancellor, the notice shall offer the student the choice of accepting the sanction or requesting an appeal hearing before the Judicial Subcommittee of the Student Affairs Committee. The student's request for appeal shall be made in writing and delivered to the Vice Chancellor for Enrollment Management and Student Services on or before the date specified in the notice. If no written notice of appeal is received within the time specified, the finding and sanction shall be final.

The disciplinary actions the College may take include, but are not limited to, the following:

- A. expulsion:** separation of the student from the College; the student is not eligible for readmission to the College.

- B. dismissal:** separation of the student from the College for an indefinite period of time.
- C. suspension:** separation of the student from the College for a definite period of time.
- D. disciplinary probation:** official warning that the student's conduct is 1) in violation of the rules, regulations, and policies stated in UACCB publications, official correspondence, or announcements; or 2) in violation of Arkansas or federal criminal statutes. Disciplinary probation will be imposed for varying periods of time when a student enrolls following a period of disciplinary suspension, dismissal, or expulsion. Disciplinary probation can be imposed for varying periods of time and can include the following:
 1. ineligibility to hold office in the College
 2. ineligibility to represent the College in any official function
 3. ineligibility to continue to receive a College-sponsored scholarship, grant, and/or work
 4. placing an informational notice in the student's permanent file
 5. continued enrollment depends upon the maintenance of satisfactory conduct throughout the period of probation.
- E. letter of enrollment block:** a letter stating that the student may not reenter UACCB without prior approval through the Vice Chancellor for Enrollment Management and Student Services if enrollment has been blocked for a previous disciplinary problem.
- F. letter of reprimand:** a written admonition of a student for actions unbecoming to the College community.
- G. work hours:** hours that a student may be required to work in a specified area of service to the College.
- H. restrictions:** the withdrawal of specified privileges for a definite period of time.
- I. restitution:** a payment for financial injury in cases involving theft, personal injury, destruction of property, or deception. The assessed costs to be paid may be in addition to other disciplinary sanctions.
- J. monetary fines:** a fine assessed by the College which is placed on the sanctioned student's account.
- K. educational sanctions:** All consequences of the student judicial process are intended to be educational. In this context, however, the term "educational sanctions" specifically describes those tasks, assignments, or experiences that a student is obligated to complete as a result of the Judicial Subcommittee of the Student Affairs Committee or staff's decision. Educational sanctions may be imposed in combination with or as a condition of any other disciplinary sanction. Educational sanctions may, for example, require the student to prepare letters of apology, to research an issue related to the offense, to attend a workshop, lecture or meeting, or to attend counseling.

Interim Suspension

In certain circumstances, the Vice Chancellor for Enrollment Management and Student Services may impose a College suspension prior to the hearing before a judicial body. The interim suspension shall become immediately effective without prior notice.

Interim suspension may be imposed only:

- b) to ensure the safety and wellbeing of members of the College community or preservation of College property;
- c) to ensure the student's own physical or emotional safety and well-being; or
- d) if the student poses a definite threat of disruption of or interference with the normal operations of the College.

During the interim suspension, students shall be denied access to the campus (including classes) and/or all other College activities or privileges for which the student might otherwise be eligible, as the Vice Chancellor for Enrollment Management and Student Services may determine to be appropriate.

Judicial Subcommittee of the Student Affairs Committee Hearing

The circumstance, which results in a hearing before the Judicial Subcommittee of the Student Affairs Committee, is the referral by the Vice Chancellor for Enrollment Management & Student Services of a situation involving disciplinary action or upon the request of the student involved.

Points involved in such hearings are classified as:

- (1) issues of fact (Did a certain incident occur? Was the student involved in the incident?),
- (2) issues related to the nature or character of the incident (Was it an accidental, careless, or intentional action? Was it spontaneous, or premeditated? Were there justifiable reasons or extenuating circumstances?),
- (3) issues of degree or extent (Was it minor, moderate, or major?), and
- (4) issues of jurisdiction (Does the administration have jurisdiction over the incident and the persons involved?).

The purpose of the hearing is to allow the committee to judge whether a violation of regulations of student conduct has occurred and to recommend the appropriate action to be taken. The hearing procedure is an effort by the College to provide students with institutional due process and to provide an atmosphere in which students can both learn and practice rules and procedures of responsible social conduct.

When a hearing is requested, the Vice Chancellor for Enrollment Management and Student Services shall make arrangements for the hearing and shall notify the student of the time, date, and place of the hearing. Unless the student requests otherwise, the hearing will be closed except to participants. The student shall notify the Vice Chancellor for Enrollment Management and Student Services in advance of the hearing if the student desires the hearing to be public.

At the hearing, the student is entitled to be present with a College advisor of his/her choice to testify on his or her own behalf, to present witnesses, to ask questions of witnesses who appear, and to examine all evidence presented to the Committee. Attorneys are not permitted to be present or participate in the student discipline process unless the student is also facing criminal prosecution regarding the incident for which the hearing is being held.

A tape recording shall be made of the hearing and shall be kept by the Vice Chancellor for Enrollment Management and Student Services for one year. The chairperson of the Judicial Subcommittee of the Student Affairs Committee shall preside over the hearing and shall rule on the admissibility of evidence, which may include hearsay, and on all other questions regarding the conduct of the hearing.

The appropriate hearing procedure is for the Vice Chancellor for Enrollment Management and Student Services or the Vice Chancellor's designee to present a narration of the facts in the situation and specify any action they have recommended. The student then specifies the precise point at issue (the issue of fact, character, extent, or jurisdiction which occasions this hearing).

After the point at issue is specified, the student services staff presents its position. Staff may present whatever relevant evidence, testimony, explanation, or argument it feels appropriate. After presentation of the student services' position, the student may present whatever relevant evidence, testimony, explanation, or argument the student feels appropriate.

Members of the Judicial Subcommittee of the Student Affairs Committee may ask questions to clarify issues at whatever point they feel necessary; however, such questions should not interrupt a speaker during the presentation unless the questions are essential. All participants may ask questions after the initial presentations are made.

After all relevant matters have been placed before the Committee; it shall deliberate in closed session and render a decision. In the decision, the committee may:

- affirm the original finding and sanction;
- affirm the original finding, but lessen the sanction;
- affirm the original finding and increase the sanction; or
- reverse the original finding.

The chairperson of the committee shall forward to the Vice Chancellor for Enrollment Management and Student Services a written report of the decision. The Vice Chancellor for Enrollment Management and Student Services will report the decision of the hearing committee in a letter to the student and inform him or her of the right to appeal to the Chancellor on or before a specified date. If no written notice of appeal is received within the time specified and the Chancellor does not choose to review the proceedings, the action proposed shall be imposed and the disposition shall be considered final.

An ad hoc hearing board may be established by the Chancellor whenever the Judicial Subcommittee of the Student Affairs Committee is not constituted, is unable to obtain a quorum, or is otherwise unable to hear a case. An ad hoc hearing board shall be composed of three members.

Appeal of the decision of the Judicial Subcommittee of the Student Affairs Committee may be made to the Chancellor by filing a Request for Appeal for with the Vice Chancellor for Enrollment Management and Student Services. The Request for Appeal shall be accompanied by a memorandum stating the grounds for believing the decision to be erroneous or unfair. An appeal of a disciplinary decision may be made only on justifiable grounds, including irregularity in proceedings, punishment inconsistent with the nature of the offenses, additional pertinent evidence not available for the original hearing, or a question of fact. The Chancellor may deny a request for an appeal if the student fails to show sufficient grounds for an appeal.

The Vice Chancellor for Enrollment Management and Student Services shall notify all parties in the case of the date, time, and place of appeal. The appeal proceedings will be confined to a reception of additional evidence to be offered and of other objections upon which the appeal is based. Following these presentations, the appeal hearing will close and the Chancellor will review the previous proceedings along with the additional evidence or objections. The Chancellor will then determine whether the disciplinary rights have been properly observed. In the decision, the Chancellor may:

- affirm the decision of the Judicial Subcommittee of the Student Affairs Committee, which shall be effective as of the date specified by the committee;
- affirm the decision of the Judicial Subcommittee of the Student Affairs Committee and reduce the sanction, which shall be effective as of the date specified by the Judicial Subcommittee of the Student Affairs Committee;
- affirm the decision of the Judicial Subcommittee of the Student Affairs Committee and increase the sanction, which shall be effective as of the date specified by the Judicial Subcommittee of the Student Affairs Committee;
- reverse the decision against the student;
- reverse the decision against the student and order a new hearing by the Judicial Subcommittee of the Student Affairs Committee;

The Vice Chancellor for Enrollment Management and Student Services will notify the student and proceed appropriately.

Role of the College Advisor in Disciplinary Hearings

Service as a College advisor on behalf of a student appearing before the Student-Faculty Judicial Subcommittee of the Student Affairs Committee does not imply the presumption of either guilt or innocence of the student by the faculty member serving in such capacity. Such service merely recognizes the right of the student to have present with him during a period of potential emotional stress and mental anguish a person not under such pressures who may give him counsel or encouragement on matters either substantive or procedural and who may assist in the student's defense if requested by the student. The College advisor bears no responsibility for assuming the initiative in the student's defense.

When a faculty member serves as an advisor for a student appearing before the Student-Faculty Judicial Subcommittee of the Student Affairs Committee, no advance notice to the committee is necessary. However, both the student and the College advisor are welcome to discuss the committee procedures with the Vice Chancellor for Enrollment Management and Student Services in advance of the hearing. Attorneys are not permitted to be present or participate in the student discipline process unless the student is also facing criminal prosecution regarding the incident for which the hearing is being held. Only the student, his College faculty advisor, and the student's

witnesses are permitted to make presentations to the Student-Faculty Judicial Subcommittee of the Student Affairs Committee.

Failure to Appear

If a student notified to appear before College administration, staff or the Judicial Subcommittee of the Student Affairs Committee fails to comply, and staff or the chairperson of the Judicial Subcommittee of the Student Affairs Committee, as the case may be, reasonably believes the failure to be inexcusable; the staff member or Judicial Subcommittee of the Student Affairs Committee will make a decision on the basis of information which is available, and shall impose the sanction considered appropriate. When it appears necessary to avoid undue hardship or to avoid injustice, the Vice Chancellor for Enrollment Management and Student Services may extend the time to enable a student to respond to an accusation or prepare a defense.

Sexual Harassment

Sexual harassment is defined as unwelcome sexual advances that interfere with an individual's academic environment, or coercive behavior that threatens academic reprisal or promises rewards contingent upon obtaining sexual favors, or as spreading false stories about a person's conduct, or falsely accusing someone of sexual harassment. Such conduct becomes illegal when the individual's submission is an explicit condition of grades, honors, admissions, or any award associated with a student's enrollment at UACCB.

Any student who believes that he or she is a victim of sexual harassment **by a fellow student** should report the situation to the Vice Chancellor for Enrollment Management and Student Services. The following procedure will be followed to resolve complaints of student-to-student sexual harassment. This procedure will be executed within a reasonable time frame.

1. The Vice Chancellor for Enrollment Management and Student Services will designate an impartial investigator to gather information relevant to the complaint.
2. The designated investigator will conduct an investigation and supply written documentation of facts and other relevant material obtained during the investigation to the Vice Chancellor for Enrollment Management and Student Services.
3. The Vice Chancellor for Enrollment Management and Student Services will review the investigator's findings, take appropriate action and notify the alleged victim of the decision.
4. In the event that a violation of student conduct policies is found to have occurred and a student receives disciplinary action as a result of such finding, the student receiving the disciplinary action is afforded the Student Handbook procedures for Due Process and Student's Rights at Hearings.

Any student who believes that he or she is a victim of sexual harassment **by a UACCB employee other than a faculty member** should follow the same procedure as outlined above. In these cases, the reviewing Vice Chancellor will be determined by the position of the employee named in the complaint.

Any student who believes that he or she is the victim of sexual harassment **by a faculty member** should report the situation to the Vice Chancellor for Academics. The Vice Chancellor for Academics will follow the same procedure as outlined above to resolve faculty-to-student sexual harassment complaints.

NOTE: The entire UACCB Sexual Harassment Policy can be found in the UACCB Policy Manual. A copy of that manual can be found in the RJB/Library.

Telephone Calls and Messages for Students

EMERGENCY calls will be forwarded to the receptionist. The receptionist will take a message and forward the information to the appropriate student services staff that will evaluate the nature of

the call and take appropriate action to attempt to locate the student. **Non-emergency calls will not be referred to students.**

Use of Technology Resources

This document constitutes a campus-wide policy intended to allow for the proper use of all UACCB computing and network resources, effective protection of individual users, equitable access and proper management of those resources. This document should be broadly interpreted. This policy applies to UACCB network usage even in situations where it would not apply to the computer(s) in use. These guidelines are intended to supplement, not replace, all existing laws, regulations, agreements, and contracts that currently apply to computing and networking services.

Access to the UACCB network is a privilege, not a right. Access to networks and computer systems owned or operated by UACCB requires certain user responsibilities and obligations and is subject to campus policies and local, state, and federal laws. Appropriate use should always be legal and ethical. Users should reflect academic honesty, mirror community standards, and show consideration and restraint in the consumption of shared resources. Users should also demonstrate respect for intellectual property; ownership of data; system security mechanisms; and individual rights to privacy and to freedom from intimidation, harassment, and annoyance. Appropriate use of computing and networking resources includes instruction; independent study; authorized research; independent research; communications; and recognized student and campus organizations, and agencies of the college.

Users of UACCB's information technology resources are expected to abide by the following policies:

1. Information technology resource usage is restricted to faculty, staff, and students currently enrolled in UACCB credit and non-credit classes, and authorized public.
2. Network users will be allowed access to other networks and computers external to UACCB. Because each network or system has its own set of policies and procedures, users must abide by the policies and procedures of networks/systems both internal and external to UACCB.
3. UACCB is not responsible for information either transmitted or received by users of its computer network/system.
4. The content and maintenance of a user's electronic mailbox is the user's responsibility. As such, the user must take the following responsible action:
 - a. Check electronic mail on a regular basis and delete unwanted messages immediately.
 - b. Never assume that electronic mail messages are private; others may be able to read or access a user's mail.
5. The content and maintenance of a user's storage area is the user's responsibility. As such, the user must take the following responsible action:
 - a. Keep the number of files to a minimum.
 - b. Routinely and frequently check for viruses.
 - c. Make sure that data is stored on the local computers is copied to a specified network location so that information is backed up.
6. Users are **NOT AUTHORIZED TO:**
 - a. **Copy, rename, alter, examine or delete** the files or programs of another employee or a UACCB department without written permission. All files and programs are legal property of UACCB.

 - i. Sending of **abusive or otherwise objectionable messages** to others;

- ii. **Sending of messages** that are likely to result in the loss of recipient's work or systems;
- iii. Any type of use that would **cause congestion of the networks** or otherwise interfere with the work of others;
- iv. Use the computer resources **for personal activities** not related to the mission of UACCB;
- v. Posting of **public service events not approved** by the appropriate Vice Chancellor.
- c. **Create, disseminate, or run a self-replicating program ("virus")**, whether destructive in nature or not.
- d. Use computers maintained by UACCB for **non-college projects** without the approval of the appropriate Vice Chancellor.
- e. **Tamper with switch settings, move, reconfigure**, or do anything that could damage files, terminals, computers, printers, or other equipment.
- f. **Collect, read, or destroy output** other than their own work without permission unless the account is designated for group work.
- g. Use the **computer account of another person without permission** unless the account is designated for group work.
- h. **Copy any copyrighted software.** Users should be aware that it is a criminal offense to copy any software that is protected by copyright.
- i. Use licensed software in a manner inconsistent with the licensing agreement.
- j. Surf, view, or download any **sexually explicit media** in the computer labs. Sexually explicit media shall not be displayed on any UACCB terminals, microcomputers, printers, or any other equipment.

Summary of Civil and Criminal Penalties for Violation of Federal Copyright Laws

Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted work. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement.

Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or "statutory" damages affixed at not less than \$750 and not more than \$30,000 per work infringed. For "willful" infringement, a court may award up to \$150,000 per work infringed. A court can, in its discretion, also assess costs and attorneys' fees. For details, see Title 17, United States Code, Sections 504, 505.

Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to \$250,000 per offense.

For more information, please see the Web site of the U.S. Copyright Office at www.copyright.gov, especially their FAQ's at www.copyright.gov/help/faq.

7. Harassment

No user, under any circumstances, should use UACCB's computers or networks to harass any other person. The following constitutes computer harassment: (1) Intentionally using the

computer to annoy, harass, terrify, intimidate, threaten, offend, or bother another person by conveying obscene language, pictures, or other materials or threats of bodily harm to the recipient or the recipient's immediate family; (2) Intentionally using the computer to contact another person repeatedly with the intent to annoy, harass, or bother, whether or not an actual message is communicated, and/or the purpose of legitimate communication exists, and where the recipient has expressed a desire for the communication to cease; (3) Intentionally using the computer to contact another person repeatedly regarding a matter for which one does not have a legal right to communicate, once the recipient has provided reasonable notice that he or she desires such communication to cease (such as debt collection); (4) Intentionally using the computer to disrupt or damage the academic, research, administrative, or related pursuits of another; and (5) Intentionally using the computer to invade the privacy, academic or otherwise, of another or to threaten invasion of the privacy of another.

8. System administration access

A system administrator (i.e., the person responsible for the technical operations of a particular machine) may access others' files for the maintenance of networks and computer and storage systems, such as to create backup copies of media. However, in all cases, all individuals' privileges and rights of privacy are to be preserved to the greatest extent possible.

9. Monitoring of usage, inspection of files

Users should also be aware that their use of UACCB computing resources is not completely private. While the College does not routinely monitor individual usage of its computing resources, the normal operation and maintenance of the College's computing resources require the backup and caching of data and communications, the logging of activity, the monitoring of general usage patterns, and other such activities that are necessary for maintaining network availability and performance.

The College may also specifically monitor the activity and accounts of individual users of the Institute's computing resources, including individual login sessions and communications, without notice. This monitoring may occur in the following instances:

- The user has voluntarily made these activities accessible to the public.
- It reasonably appears necessary to do so to protect the integrity, security, or functionality of the Institute or to protect the Institute from liability.
- There is reasonable cause to believe that the user has violated, or is violating, this policy.
- An account appears to be engaged in unusual or unusually excessive activity, as indicated by the monitoring of general activity and usage patterns.
- Upon receipt of a legally served directive of appropriate law enforcement agencies.
- Any such individual monitoring, other than that specified in "(1)", required by law, or necessary to respond to bona fide emergency situations, must be authorized in advance. The appropriate unit head will be informed as time and the situation will allow. In all cases, all individuals' privileges and right of privacy are to be preserved to the greatest extent possible.

10. Suspension of individual privileges

UACCB Information Services may suspend computer and network privileges of an individual for reasons relating to his/her physical or emotional safety and well-being, or for reasons relating to the safety and well-being of other members of the campus community or college property. Access will be promptly restored when safety and well being can be reasonably assured, unless access is to remain suspended as a result of formal disciplinary action imposed by the Office of the Vice Chancellor for Enrollment Management & Student Services (for students) or the employee's department in consultation with the Office of Human Resources (for employees).

Process for suspension of individual privileges:

Anyone who breaches the policies and procedures of the UACCB computer usage policy will be subject to the following action (disciplinary action may also be taken through the Student Conduct Process):

First offense: Individual is served a warning ticket

Second offense: Individual is served a second warning ticket, and computer usage is suspended for one week.

Third offense: Individual is served a third and final warning ticket, and his or her account will be disabled for the remainder of the semester.

11. No foods or drinks are allowed in the computer laboratories.
12. UACCB reserves the right to close laboratories or curtail use of computing facilities if the above policies and/or procedures are violated.

Family Educational Rights and Privacy Act Policy

The Family Educational Rights and Privacy Act (FERPA) of 1974 assures confidentiality of educational records containing information directly related to the institution's students. A student at UACCB has the following rights with regard to his or her educational records:

- To inspect and review all educational records pertaining to him or her;
- To request the amendment of his or her educational records to ensure that they are not inaccurate, misleading, or otherwise in violation of his or her privacy or other rights;
- To refuse consent to disclose directory information by informing the Director of Student Information/Registrar in writing within ten days of the first scheduled class of each academic session that he or she does not want that information disclosed. Directory information at UACCB is defined as name; address; telephone number; email address, photograph; major field of study; dates of attendance; degrees received; scholarships, honors and awards received; and participation in officially recognized activities;
- To consent to disclosure of personally identifiable information contained in his or her educational records, except to the extent that FERPA authorizes disclosure without consent;
- To file a complaint with the U.S. Department of Education concerning an alleged failure by the College to comply with FERPA requirements;
- To obtain a copy of the college's FERPA policy. The policy is available upon request from the Director of Student Information/Registrar and in the Row Johns Library. The student is responsible for a copying fee.

Students who wish to review their educational records must present a written request to the Director of Student Information/Registrar, listing the item(s) to be reviewed. The item(s) requested shall be made available for review no later than 45 calendar days following receipt of the written request. Students following the above procedure have the right to copy their records when failure to provide a copy of the records would effectively prevent the student from inspecting and reviewing the record as determined by the reasonable discretion of the College. The College may refuse to copy an academic record if a "hold" has been placed for non-payment of financial obligations; copies shall be made at the student's expense (\$.25 per page). Students have no right to review or inspect the following records:

- Financial information submitted by their parents or legal guardians.
- Confidential letters and/or recommendations placed in the student's file prior to January 1, 1975, if such documents were intended to be confidential and are used only for the purpose(s) for which they were specifically intended.
- Confidential letters and/or recommendations placed in the student's file prior to January 1, 1975, associated with admissions, employment, or job placement, or receipt of an honor or honorary recognition if the student has voluntarily waived his/her right to inspect the confidential letters and/or recommendations in writing.
- Educational records containing information about more than one student, in which case the College will permit access only to that part of the record pertaining to the inquiring student.

Challenge of Contents of Educational Records

Any student who believes that his/her educational records contain information that is inaccurate, misleading, or otherwise in violation of his/her privacy or other rights, or who believes that his/her records have been maintained or processed in violation of his/her privacy or other rights, may notify the Director of Student Information/Registrar in writing, clearly identifying the portion of the record to be changed and specifying why the student believes the record is inaccurate or misleading.

If the Director of Student Information/Registrar is in agreement with the student, the appropriate record shall be amended and the student shall be notified in writing. If the decision of the Director of Student Information/Registrar is not in agreement with the student, the student shall be notified within thirty calendar days that the records will not be amended. The student may appeal this decision following the procedure outlined under "Student Grievance Procedure." If the student successfully appeals the decision to amend his/her records, the file will be amended accordingly. If the appeal is unsuccessful, the student has the right to place a statement commenting on the reason for disagreeing with the decision of the College. This statement shall be included in the educational record, and shall be maintained as long as the record is maintained and shall be disclosed whenever the record(s) in question is disclosed. A student may contact the Vice Chancellor for Enrollment Management and Student Services for assistance in filing a complaint with the Family Policy and Regulations Officer, U.S. Department of Education, Washington, D.C. 20202.

Consent Provisions

No person outside the College shall have access to, nor shall the College disclose, any personally identifiable information from a student's educational records without the written consent of the student. The consent must specify the records to be disclosed, the purpose(s) of the disclosure, and the party or class of parties to whom disclosure may be made. The consent must also be signed and dated by the student. A copy of the record disclosed or to be disclosed shall be provided to the student upon request.

There are, however, exceptions to the consent policy. The College reserves the right, as permitted by law, to disclose educational records without written consent to those parties enumerated in Section 99.31 of the FERPA, including the following:

- School officials who have legitimate educational interest.
- Officials of other educational institutions or agencies in which a student seeks enrollment.
- Officials of other educational institutions in which a student is currently enrolled.
- Persons or organizations providing student financial aid in order to determine the amount, eligibility, and conditions of award, and to enforce the terms of the award.
- Accrediting organizations carrying out accreditation functions.
- Authorized representatives for federal, state and/or local authorities for the purpose of audit and evaluation of programs.
- Organizations conducting studies on behalf of educational agencies or institutions to develop and administer predictive tests, administer student aid programs or improve instruction.
- Parents of dependent students under the age of 18—parents must present proof of dependent status of student by providing a copy of their current tax forms.
- Persons in compliance with a judicial order or subpoena.
- Appropriate persons in a health and safety emergency.
- An alleged victim of any crime of violence.

Bulletin boards, posters, notices, and other materials

Notices, pamphlets, and other materials may be printed and distributed by recognized student organizations to further the purposes stated in their constitutions, subject to the following limitations:

Identification and Responsibility

All notices must carry the name(s) of the organization(s) responsible for distribution. Organizations are responsible for notices or printed materials bearing the names of individuals identified thereon as members or officers of the organizations.

Libelous and Scurrilous Material

The right to distribute notices and printed materials shall not extend to libelous, scurrilous, or personally defamatory statements. Neither shall the right extend to materials encouraging and promoting violations of the public laws and the public peace, or the regulations of the College.

Posting of notices and bulletins must conform to College standards to prevent damage to campus facilities and for safety purposes.

1. Advertising or announcements may not be posted or painted on the exterior of any campus buildings, structures, sidewalks, or curbs.

6. Chalking on sidewalks is permitted. Organizations are responsible for removing the chalking the day following the event.

Places for Posting Notices

- Selected campus bulletin boards.
- Placed on tables.

Distribution of Printed Materials

Distribution must not invade classrooms, interfere with classes, or be done in a manner that adds to litter on the campus. No materials may be placed on vehicles parked on College property. Organizations proposing to distribute printed materials on the campus must obtain permission from the Vice Chancellor for Enrollment Management and Student Services. The purpose of this permission, with the requirements which accompany it, is to protect the appearance and the normal operations of the campus, not to restrict the free speech of students or student groups.

Skating (inline, skateboards) Policy

1. Roller skates, inline skates, and skateboards may be used by UACCB students or staff with current IDs from 6 p.m. until 10 p.m., Monday through Friday and on weekends. Skating is prohibited during the hours of 10 p.m. and 6 p.m., Monday through Friday.
2. At all times pedestrian traffic will have the right of way. At no time are roller skates or inline skates to be worn inside buildings on the UACCB campus.
3. Approved skating areas are sidewalks and parking lots

This shall include, but is not limited to, any property damaged at the College.
6. Any person choosing to engage in any skating activity of any kind shall assume all risks associated with such activity.

Smoking Policy

UACCB acknowledges and supports the findings of the surgeon general that tobacco use in any form, active and passive, is a significant health hazard. UACCB further recognizes that environmental tobacco smoke has been classified as a Class-A carcinogen. In light of these health risks, and in support of a safe and healthy learning and working environment, UACCB has set the following 100 percent tobacco-free campus policy which was implemented on August 1, 2010. All colleges and universities in Arkansas were mandated to be smoke free by the Clean Air on Campus Act of 2009.

1. Smoking or use of other tobacco products is prohibited on all College grounds; UACCB-owned or leased properties, and campus-owned, leased or rented vehicles. This includes

- but is not limited to all college sidewalks, parking lots, landscaped areas and recreational areas; at lectures, conferences, meetings and social and cultural events held on school property or school grounds of UACCB. Smoking is also prohibited in the interior of all buildings located on the college property, and vehicles owned or operated by UACCB.
2. Smoking materials must be extinguished and disposed of prior to entering UACCB or exiting your vehicle. Improper disposal includes but is not limited to:
 - a. Spitting smokeless tobacco product
 - b. Littering (i.e., discarded cigarette butts, throwing cigarette butts out of windows)
 - c. Anything that creates fire hazards
 3. This policy applies to all faculty, staff, students, clients, contractors and visitors. The policy is in effect during and after campus hours.
 4. For the purposes of this policy, tobacco is defined to include any lighted or unlighted cigarette (clove, bidis, kreteks), e-cigarettes, cigars, cigarillos, pipes, hookah products; and any other smoking product; and any smokeless, spit or spitless, dissolvable, or inhaled tobacco products, including but not limited to dip, chew, snuff or snus, in any form (orbs, sticks, strips, pellet, etc.).
 5. The sale of tobacco products or tobacco-related merchandise (including items that display tobacco company logos) is prohibited in and on all college property and at all college-sponsored events, regardless of the vendor.
 6. The free distribution or sampling of tobacco products and associated products is prohibited on all college-owned or leased property and at college-sponsored events, regardless of the venue.
 7. Tobacco industry and related company sponsorship of campus events is prohibited.
 8. UACCB does not accept any direct or indirect funding, gifts or anything else of value from tobacco companies.
 9. Campus officials, staff or other persons representing the campus including campus organizations shall not accept money or gifts or enter into any arrangement, association or partnership with representatives of tobacco companies, including:
 - a. Sponsorship of campus events by organizations that promote tobacco use and/or allowing them to distribute free, reduced price or fully priced tobacco products (shirts, hats, etc) on campus.
 10. All tobacco promotion, advertising, marketing and distribution are prohibited in and on UACCB campus property including college-run publications owned or operated by UACCB.
 11. All students, faculty and staff share in the responsibility for adhering to and enforcing the policy. Violation of this policy is a violation of the Student Conduct Code and subjects violators to the full range of sanctions outlined in the Student Conduct section of the Student Handbook. Violations of this policy by employees will be dealt with by the supervising vice chancellor.

Solicitors

Without the prior written approval of the Chancellor, or the Chancellor's designee, no person shall solicit students, faculty, staff, or members of the public for any business or commercial purpose including, but not limited to the sale or purchase of any goods or services, in or upon any of the facilities owned, leased, operated or otherwise regularly occupied by the University of Arkansas Community College at Batesville (UACCB).

Free Speech Area

The area under the flag poles located on the south side of Independence Hall is designated as the area on the UACCB campus for limited public forums. This area is available on a first-come, first-served basis to individuals or organizations for free speech purposes without registration or reservation, 24 hours a day, seven days a week. No amplification equipment may be used and no structure(s) may be erected. All other areas of campus must be reserved following the established facilities use policy.

Awareness and Prevention Programs

Drug and Alcohol Abuse Regulations

UACCB regulations specify that the manufacture, use, possession, or sale of illegal drugs, controlled substances and alcohol beverages on or about campus or as part of any of its activities are in violation of College policy. Serious offenses which are subject to disciplinary or restricting action are: use, possession, sale, distribution, or manufacture of alcoholic beverages, marijuana, illegal drugs or controlled substances, except as prescribed by a registered medical doctor; arrest for violation of local, state, or federal drug law which adversely affects the student's suitability as a member of the College community, and violations of Arkansas or federal criminal statutes.

The disciplinary response by UACCB to violations of these policies may range from required enrollment in a drug and alcohol education course to expulsion from the College. Evidence of serious offenses such as manufacture, sale, or distribution will be referred to state and/or federal law enforcement authorities.

Biennial Review of Policies and Programs

UACCB conducts a biennial review of the program and policies to determine their effectiveness, implement changes to the program if they are needed, and ensures that the disciplinary sanctions are consistently enforced.

Health Risks in Using Alcohol

Alcohol consumption causes a number of marked changes in behavior. Even low doses significantly impair the judgment and coordination required to drive a car safely, increasing the likelihood that the driver will be involved in an accident. Low to moderate doses of alcohol cause marked impairments in higher mental functions, severely altering a person's ability to learn and remember information. Very high doses cause respiratory depression and death. If combined with other depressants of the central nervous system, much lower doses of alcohol will produce the effects just described.

Repeated use of alcohol can lead to dependence. Sudden cessation of alcohol intake is likely to produce withdrawal symptoms including severe anxiety, tremors, hallucinations, and convulsions. Alcohol withdrawal can be life threatening. Long-term consumption of large quantities of alcohol, especially when combined with poor nutrition, can also lead to permanent damage to vital organs such as the brain and the liver.

Mothers who drink alcohol during pregnancy may give birth to infants with fetal alcohol syndrome. These infants have irreversible physical abnormalities and mental retardation. In addition, research indicates that children of alcoholic parents are at greater risk than other children of becoming alcoholics.

Health Risks Associated with Controlled Substances

Many controlled substances have therapeutic value when used under controlled conditions such as when a physician prescribes a substance with certain dietary restrictions and, in many cases, hospitalization. However, when controlled substances are used outside these limits, very serious effects can result.

Penalties for Drug and Alcohol Abuse in Motor Vehicles

The State of Arkansas has specific penalties for alcohol and drug abuse in connection with the operation of a motor vehicle. Specifically, Act 836 makes it unlawful and punishable for any individual under the age of twenty-one to operate or be in actual physical control of a motor vehicle while under the influence of an alcoholic beverage or similar intoxicant.

A person who drives a motor vehicle while influenced or affected by the ingestion of alcohol, a controlled substance, or any intoxicant commits the offense of driving while intoxicated. Penalties for such an offense may include: suspension of license, probation, imprisonment, fines of no less than \$150, payment of an additional \$250 in court costs, public service work as deemed appropriate by the court, and a requirement to complete an alcohol education program as prescribed and approved by the Arkansas Highway Safety Program or an alcoholism treatment program as approved by the Office on Alcohol and Drug Abuse Prevention. A blood alcohol level of 0.05 may be considered with other

competent evidence in determining guilt or innocence. A blood alcohol level of .10 or more shall give rise to a presumption of intoxication.

For individuals under the age of 21 a blood alcohol level of one-fiftieth of one percent (0.02%), but less than one-tenth of one percent (0.10%), by weight of alcohol in the person's blood, it is unlawful and punishable to operate or be in actual physical control of a motor vehicle.

Penalties for Possession of Illegal Drugs and Substances

There are both federal and Arkansas penalties for illegal possession of controlled substances and illegal drugs. Penalties frequently change; therefore, for updated information, check with your local law enforcement agencies.

Drug Treatment Available

There are groups, offices, agencies, and hospitals in the Batesville area that offer drug treatment and rehabilitation services and programs. Information about programs is available in the Office of Career & Disability Services. Additional resources can be located in the yellow pages of the telephone directory under the headings "Alcoholism Information and Treatment Centers" and "Drug Abuse and Addiction Information and Treatment."

Sexual Assault and Abuse Awareness Program

The Student Right to Know and Campus Security Act requires that students be provided information concerning campus sexual assault programs and the procedures which should be followed once an offense has occurred. This information is available in the UACCB Annual Security Report which can be found on the UACCB web site and in the Office of the Vice Chancellor for Enrollment Management & Student Services.

Constitution Day

In December 2004, Senator Robert C. Byrd offered an amendment that was passed by both the United States House of Representatives and the United States Senate in an attempt to increase constitutional knowledge. The legislation requires implementation of educational programs that relate to the United States Constitution. September 17 of each year was selected as the date for the celebration due to the fact that September 17, 1787, was the day the delegates to the Constitutional Convention met for the last time to sign the United States Constitution and to present it to the American public.

UACCB recognizes and promotes Constitutional education annually as prescribed under the regulations of this legislation.
