

ATTENTION BIDDERS

Act 2157 of 2005 of the Arkansas Regular Legislative Session requires that any business or person bidding, responding to a request for proposal or qualifications, or negotiating a contract with the state for professional or consultant services, submit their most current equal opportunity policy (EO Policy).

Although bidders are encouraged to have a viable equal opportunity policy, a written response stating the bidder does not have such an EO Policy will be considered that bidder's response and will be acceptable in complying with the requirement of Act 2157.

This is a mandatory requirement when submitting an offer as described above.

Should you have any questions regarding this requirement, please contact my office by calling (870)612-2030.

Sincerely,
