

Kids' College 2017

To: Prospective Kids' College Teachers
From: Katrina Stevens, Community Education Coordinator
Subject: Are you interested in a fun, summer job? – Kids' College 2017

The University of Arkansas Community College at Batesville (UACCB) is proud to offer Kids' College 2017. Kids' College is a summer academic enrichment program designed to spark the imagination and expand the knowledge of youth who will enter grades 1-6 in the fall of 2017. The dates have been set and now we are asking for your help. If you are interested in teaching at this great summer program, please let us know. Our theme is *"Blast Off To Kids' College!"*

Kids' College is **July 10-14** for students entering grades 1-3; **July 17-21** for students entering grades 4-6.

Both weeks will have the option of a full-day and half-day (morning or afternoon session) for the students. The registration fee is \$180/week for full-day students and \$105/week for half-day students. The fee for full-day students includes lunch, snacks, t-shirt and supplies.

First year instructors are paid \$25/hour. Most classes are limited to approximately 14 students. However, exceptions are made depending on the class. As always, we plan to have student volunteers available. UACCB will furnish copies, supplies and materials (with prior approval) needed for your class. Most classrooms are equipped with smartboards upon request. We offer four 75-minute class sessions to the students. Instructors must provide enough class material/lesson plans for each 75-minute session for a 5-day week. The number of classes taught by an instructor is based on the classes that make. We prefer offering classes that you would not see or have time to offer during the regular school year. The primary focus is educational with light-hearted fun and hands-on activities.

Please submit the topic (or topics) you propose to teach no later than **Friday, January 27, 2017**. Complete the class proposal form on the following page and return to UACCB Community Education, P.O. Box 3350, Batesville, AR 72503, or fax to 870.793.4988 or email to katrina.stevens@uaccb.edu. We look forward to hearing from you. If you have questions or need more information, please call 870.612.2082.
