

Emergency Medical Technician – Basic and Paramedic

UACCB offers a Certificate of Proficiency for EMT Basic and 2 options for EMT Paramedic educational preparation including a Technical Certificate or Associate of Applied Science for EMT Paramedic. Graduates are eligible to take respective National Registry Certification examinations. Certification as an EMT-B is required for progression to EMT 2014 Paramedic I.

Students must earn a grade of C or better in all general education and EMT major courses to earn certificate or degree. **We do not allow for advancement placement. All Paramedic students must meet requirements of the program.**
