I am good with that. I will forward to Jenifer to setup a new cost center.

If everyone's okay with it, I'm going to let Mickey and Debbie include that information in the call for SGA participation for Spring 2022. I will move funds around VCSA.

I probably need a distinct cost center for SGA stipends now though.

Zach,

Those amounts seem appropriate and reasonable to me.

Mickey and Debbie proposed \$300 per semester for officers (5), \$150 for senators (6) – the total would be \$4800 a year. This seems to be a good total amount. That's 4 ambassador stipends for a semester (which makes me wonder why aren't more students applying for that???).

Zach,

I see this similar to as what we do for the Ambassadors, although the amount should likely be less.

Subject: FW: SGA Stipend/Scholarship

Hi everyone,

I may have mentioned the possibility of providing incentives for SGA participation. I do believe this is another way to get more involvement and would be able to direct VCSA funds to this engagement activity. I am curious on your thoughts on this as we are still looking to promote SGA elections before next term.

Thank you.

Zach, Debbie and I discussed the possibility of a \$300 per semester stipend or scholarship (not

wages) for the five officers positions and a \$150 per semester stipend or scholarship for the sophomore and freshman representative positions. That would be for a maximum of 11 positions (5 officers and 6 representatives) and if everything was filled, it would total \$4800 for the school year. We believe that starting with a smaller amount would be a good gauge for things. Ideally, the student would the half of the yearly amount at the end of each semester of service.
