2025 ANNUAL SECURITY REPORT

Introduction

This report is provided in compliance with the Jeanne Clery Campus Safety Act. It provides students and employees of University of Arkansas Community College at Batesville ("College") with information on: the College's security arrangements, policies and procedures; programs that provide education on such things as drug and alcohol abuse, awareness of various kinds of sex offenses, and the prevention of crime generally; and procedures the College will take to notify the campus community in the event of an emergency. Its purpose is to provide students and employees with information that will help them make informed decisions relating to their own safety and the safety of others.

Policy for Preparing the Annual Report

This report is prepared by the Executive Director of Facilities and Auxiliary Services in cooperation with local law enforcement authorities and includes information provided by them as well as by the College's campus security authorities and various other elements of the College. Each year an e-mail notification is made to all enrolled students and employees that provides the website link to access this report. Prospective students and employees are also notified of the report's availability. Hard copies of the report may also be obtained at no cost by contacting Campus Safety Department, Physical Plant Building, Office 701A, 2005 White Dr., Batesville, AR, Ph. 870-612-2033. The College is committed to taking the actions necessary to provide a safe and secure working/learning environment for all students and staff. As a member of the campus community, you can feel safe and comfortable knowing that security procedures are in place that represent best practices in the field, and are constantly tested and re-evaluated for their effectiveness.

General Safety and Security Policies

Campus Security Personnel & Relationship with Local Law Enforcement

The UACCB Campus Safety Department is responsible for campus safety at the College.

Members of the Campus Safety Department are commissioned security officers. They have the authority to carry firearms as well as enforce applicable laws and college policies. The Campus Safety Department's jurisdiction covers all of the College's property.

While the College does not have any written agreements with local law enforcement agencies, it does maintain a close working relationship with local departments and agencies.

Campus Security Authorities

The College has designated certain officials to serve as campus security authorities. Reports of criminal activity can be made to these officials. They in turn will ensure that the crimes are reported for collection as part of the College's annual report of crime statistics. The campus security authorities to whom the College would prefer that crimes be reported are listed below.

- Lead Security Officer Bailey at (870) 307-2421

- Security Officer Wilson at (870) 307-2421
- Director of Events and Campus Safety at safety@uaccb.edu
- Provost at zach.perrine@uaccb.edu

Reporting a Crime or Emergency

The College encourages accurate and prompt reporting of all criminal actions, emergencies, or other incidents occurring on campus, on other property owned by the College, or on nearby public property to the appropriate administrator and appropriate police agencies. Such a report is encouraged when the victim of a crime elects to, or is unable to, make such a report.

- All crimes occurring on or near College property should be reported promptly to the Campus Safety Department. The number to contact is (870) 307-2421 or (870) 612-2033.
- If a crime is in progress or there is some other situation posing imminent danger, local law enforcement and other emergency services can be reached by dialing 911.
- Students, staff, and visitors should also report situations to one of the campus security authorities identified above. Once reported, the individual may also be encouraged to report the situation to the appropriate law enforcement agency. If requested, a College staff member will assist in making the report to police.
- Non-emergency information can be emailed to safety@uaccb.edu.

Confidential Reporting

The College will protect the confidentiality of victims. Only those with a need to know the identity for purposes of investigating the crime, assisting the victim or disciplining the perpetrator will know the victim's identity.

Pursuant to the College's sexual misconduct policy, when an employee who is not a confidential resource becomes aware of alleged misconduct under that policy (including, but not limited to, dating violence, domestic violence, sexual assault, and stalking), the employee is responsible for reporting that information, including the status of the parties if known, to the Title IX Coordinator or a Title IX Deputy. A victim of other types of crimes (e.g., aggravated assault, burglary, etc.) who does not want to pursue action within the College disciplinary system or the criminal justice system is nevertheless encouraged to make a confidential report to a campus security authority. Upon the victim's request, a report of the details of the incident can be filed with the College without revealing the victim's identity. Such a confidential report complies with the victim's wishes, but still helps the College take appropriate steps to ensure the future safety of the victim and others. With such information, the College can keep an accurate record of the number of incidents involving members of the campus community, determine where a pattern of crime may be developing and alert the campus community as to any potential danger. These confidential reports are counted and disclosed in the annual crime statistics for the College.

The College encourages its professional counselors, if and when they deem it appropriate, to inform the person they are counseling to report crimes on a voluntary, confidential basis for inclusion in the annual report of crime statistics. The College does not have pastoral counselors.

Security of and Access to Campus Facilities

All academic buildings are secured when classes are not in session during the evenings and weekends. Access to the buildings is only allowed for faculty/staff members, authorized persons, or students who are accompanied by faculty/staff members. Security officers perform routine building, campus, and vehicle patrols of parking lots and surrounding areas.

Students and employees are asked to be alert and to not circumvent practices and procedures that are meant to preserve their safety and that of others.

- Do not prop doors open or allow strangers into campus buildings that have been secured.
- Do not lend keys or access codes to non-students and do not leave them unattended.
- Do not give keys or access codes to anyone who is not an employee with authorization to have such access.

Keys to the offices, laboratories, and classrooms on campus will be issued to employees only as needed and after receiving the proper authorization. Each department supervisor is responsible for assuring his/her area is secured and locked.

Employee and student identification cards may be used to verify the identity of persons suspected to be in campus facilities without permission.

Security Considerations in the Maintenance of Facilities

The Campus Security Department works with the Facilities Department to identify maintenance issues on campus that may be safety hazards. Safety checks are routinely completed to identify street or safety lights that are not functioning properly, or to determine if shrubs or other landscaping might need trimming. Maintenance personnel regularly check to ensure there is adequate lighting on pathways and that egress lighting is working in hallways and stairwells. Campus Safety routinely inspects fire extinguishers, AED machines, and verifies Narcan is present at each AED location.

Educational Programs Related to Security Awareness and Prevention of Criminal Activity

The College seeks to enhance the security of its campus and the members of the campus community by periodically presenting educational programs to inform students and employees about campus security procedures and practices, to encourage students and employees to be responsible for their own security and the security of others and to inform them about the prevention of crimes. These programs are discussed below.

The College provides information at the beginning of each academic term for students and employees regarding the College's security procedures and practices. This information is in the form of presentations at student orientation, employee meetings, and email blasts. Among other things, it advises students and employees of the importance of reporting criminal activity, to whom crimes should be reported, being responsible for their own safety and the safety of others, and practices regarding timely warnings and emergency notifications.

Crime prevention programs are also presented each semester by Campus Safety. In addition, email blasts are periodically sent out to students and employees with crime prevention and other safety tips.

Monitoring Off Campus Locations of Recognized Student Organizations

The College does not have any officially recognized student organizations with off campus locations and therefore does not monitor or record criminal conduct occurring at such locations.

Disclosure of the Outcome of a Crime of Violence or Non-Forcible Sex Offense

Upon written request, the College will disclose to the alleged victim of a crime of violence (as that term is defined in section 16 of title 18, United States Code), or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by the College against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as a result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for purposes of the paragraph.

The previous paragraph does not apply to victims of dating violence, domestic violence, sexual assault, or stalking because under the Violence Against Women Act both the accused and accuser in these cases are given the results without the need to make a written request.

Drug and Alcohol Policy

The College is committed to creating and maintaining an environment that is free of alcohol abuse. The College prohibits the consumption, possession, distribution, manufacture, sale, and serving of alcoholic beverages on College premises or at College-Sponsored Activities, regardless of age, unless permitted by a College policy. The College also enforces the state's underage drinking laws.

The College also enforces federal and state drug laws. The possession, sale, manufacture, or distribution of illegal drugs is prohibited on campus or as any part of the College's activities. Violators of the College's policies or federal and state laws regarding illegal drugs will be subject to disciplinary action and possibly criminal prosecution.

Crime Definitions

Crime Type (Arkansas Code)	Definitions
Dating Violence	The institution has determined, based on good-faith research, that Arkansas law does not define the term dating violence.

Crime Type (Arkansas Code)	Definitions
Domestic Violence	The institution has determined, based on good-faith research, that Arkansas law does not define the term domestic violence (aside from as set forth below). However, Arkansas does have various degrees of “domestic battering” that are defined in a manner that could be classified as “dating violence” and “domestic violence.” These domestic battering crimes are found at Ark. Code § 5-26-303 to 305 and generally involve a perpetrator causing some degree of physical injury to a family or household member. In this regard, Ark. Code § 5-26-302 uses the following definitions: • “Dating relationship” means a romantic or intimate social relationship between two (2) individuals that is determined by examining the following factors: (i) The length of the relationship; (ii) The type of the relationship; and (iii) The frequency of interaction between the two (2) individuals involved in the relationship. “Dating relationship” does not include a casual relationship or ordinary fraternization between two (2) individuals in a business or social context. • “Family or household member” means: (A) A spouse; (B) A former spouse; (C) A parent; (D) A child, including any minor residing in the household; (E) Persons related by blood within the fourth degree of consanguinity....; (F) Persons who presently or in the past have resided or cohabited together; (G) Persons who have or have had a child in common; or (H) Persons who are presently or in the past have been in a dating relationship together. A person commits domestic battering in the first degree (Ark. Code § 5-26-303) if: 1. With the purpose of causing serious physical injury to a family or household member, the person causes serious physical injury to a family or household member by means of a deadly weapon; 2. With the purpose of seriously and permanently disfiguring a family or household member or of destroying, amputating, or permanently disabling a member or organ of a family or household member's body, the person causes such an injury to a family or household member; 3. The person causes serious physical injury to a family or household member under circumstances manifesting extreme indifference to the value of human life; 4. The person knowingly causes serious physical injury to a family or household member he or she knows to be sixty (60) years of age or older or twelve (12) years of age or younger; 5. The person: A. Commits any act of domestic battering as defined in § 5-26-304 or § 5-26-305; and

Crime Type (Arkansas Code)	Definitions
	B. For conduct that occurred within the ten (10) years preceding the commission of the current offense, the person has on two (2) previous occasions been convicted of any act of battery against a family or household member or aggravated assault on a family or household member, as defined by the laws of this state or by the equivalent laws of any other state or foreign jurisdiction; 6. With the purpose of causing physical injury to a family or household member, the person causes physical injury to a family or household member by means of a firearm; or 7. The person knowingly causes serious physical injury to a family or household member who is four (4) years of age or younger under circumstances manifesting extreme indifference to the value of human life. “Aggravated assault on a family member or household member,” as defined in § 5-26-306, means: A person commits aggravated assault on a family or household member if, under circumstances manifesting extreme indifference to the value of human life, the person purposely: (1) engages in conduct that creates a substantial danger of death or serious physical injury to a family or household member; (2) displays a firearm in a manner that creates a substantial danger of death or serious physical injury to a family or household member; or (3) impedes or prevents the respiration of a family or household member or the circulation of a family or household member’s blood by applying pressure on the chest throat, or neck or by blocking the nose or mouth of the family or household member. A person commits domestic battering in the second degree (Ark. Code § 5-26-304) if: 1. With the purpose of causing physical injury to a family or household member, the person causes serious physical injury to a family or household member; 2. (B) "Course of conduct" includes without limitation sending mail or electronic communication to a person via electronic mail, text messages, or any other type of electronic message sent using the internet, websites, or social media platforms. (ii) If the defendant claims that he or she was engaged in a constitutionally protected activity, the court shall determine the validity of that claim as a matter of law and, if found valid, shall exclude that activity from evidence. • “Emotional distress” means significant mental suffering or distress. “Emotional distress” does not require that the victim sought or received medical or other professional treatment or counseling.

Rape, Fondling, Incest, Statutory Rape	For purposes of the Clery Act, the term “sexual assault” includes the offenses of rape, fondling, incest, and statutory rape. These definitions under Arkansas law are as follows: • Rape (Ark. Code § 5-14-103): A person commits rape if he or she engages in sexual intercourse or deviate sexual activity with another person: ○ By forcible compulsion. ○ Who is incapable of consent because he or she is: (A) Physically helpless; (B) Mentally defective; or (C) Mentally incapacitated. ○ Who is less than fourteen (14) years of age. ○ Who is a minor and the actor is the victim's: (i) Guardian; (ii) Uncle, aunt, grandparent, step-grandparent, or grandparent by adoption; (iii) Brother or sister of the whole or half blood or by adoption; or (iv) Nephew, niece, or first cousin. • Capital rape (Ark. Code § 5–14–114): A person commits capital rape if: 1. He or she engages in sexual intercourse or deviate sexual activity with another person who is thirteen (13) years of age or younger and causes or threatens to cause serious physical injury to that person; 2. Acting alone or with one (1) or more other persons: A. The person commits or attempts to commit: The person commits or attempts to commit: (i) Terrorism, § 5–54–205; (ii) Kidnapping, § 5–11–102; (iii) Vehicular piracy, § 5–11–105; (iv) Robbery, § 5–12–102; (v) Aggravated robbery, § 5–12–103; (vi) Residential burglary, § 5–39–201(a); (vii) Commercial burglary, § 5–39–201(b); (viii) Aggravated residential burglary, § 5–39–204; (ix) A felony violation of the Uniform Controlled Substances Act, §§ 5–64–101 — 5–64–508, involving an actual delivery of a controlled substance; (x) First degree escape, § 5–54–110; (xi) Trafficking of persons, § 5–18–103; (xii) Engaging children in sexually explicit conduct for use in visual or print medium, § 5–27–303; or (xiii) Transportation of minors for prohibited sexual conduct, § 5–27–305; and B. During the course of or in furtherance of the offense under subdivision (a)(2)(A) of this section, the person engages in sexual intercourse or deviate

While using or threatening to use a deadly weapon, he or she engages in sexual intercourse or deviate sexual activity with another person who is thirteen (13) years of age or younger; or D. He or she engages in sexual intercourse or deviate sexual activity with another person who is thirteen (13) years of age or younger after previously having been convicted of rape under § 5–14–103(a)(3) or capital rape under this section. • Fondling: The institution has determined, based on good-faith research, that Arkansas law does not define the term fondling. • Incest (Ark. Code § 5-26-202): A person commits incest if the person, being sixteen (16) years of age or older, purports to marry, has sexual intercourse with, or engages in deviate sexual activity with another person sixteen (16) years of age or older whom the actor knows to be: (1) An ancestor or a descendant; (2) A stepchild or adopted child; (3) A brother or sister of the whole or half blood; (4) An uncle, aunt, nephew, or niece; or (5) A stepgrandchild or adopted grandchild. • Statutory Rape: The institution has determined, based on good-faith research, that Arkansas law does not define the term statutory rape. However, Arkansas prosecutes sexual assault in the fourth degree in instances where an individual being 20 years of age or older engages in sexual contact, sexual intercourse, or deviate sexual activity with another person who is less than 16 years of age and not the person’s spouse (Ark. Code § 5-14-127).
Other “sexual assault” crimes	Other crimes under Arkansas law that may be classified as a “sexual assault” include the following: • Sexual indecency with a child (Ark. Code § 5-14-110): A person commits sexual indecency with a child if: ○ Being eighteen (18) years of age or older, the person solicits another person who is less than fifteen (15) years of age or who is represented to be less than fifteen (15) years of age to engage in: (A) Sexual intercourse; (B) Deviate sexual activity; or (C) Sexual contact; ○ With the purpose to arouse or gratify a sexual desire of himself or herself or a sexual desire of another person, the person purposely exposes his or her sex organs to another person who is less than fifteen (15) years of age. ○ Being eighteen (18) years of age or older, the person causes or coerces another person who is less than fourteen (14) years of age to expose his or her sex organs or the breast of

This section does not apply to a person entering into or remaining in a public changing facility: (i) with a minor under seven (7) years of age if the person is a minor's parent, guardian, or family member, or is otherwise authorized to care for the minor; (ii) for maintenance or inspection purposes if the person is authorized to conduct maintenance or inspection of the public changing facility; (iii) to render medical assistance; (iv) to accompany a person needing assistance when the actor is the parent, guardian, or family member, or is otherwise authorized to care for the person needing assistance; (v) to provide assistance in using the public changing facility; (vi) if the public changing facility has been temporarily designated for use by persons of the same sex as the person entering into or remaining in the public changing facility; or (vii) who is a certified law enforcement or corrections officer accompanying a person of the opposite sex in his or her custody. As used in this section, (1) "Sex" means a person's immutable biological sex as objectively determined by anatomy and genetics existing at the time of birth.
Consent (as it relates to sexual activity)	The institution has determined, based on good-faith research, that Arkansas law does not define the term consent (as it relates to sexual activity).

College Definition of Consent

The College uses the following definition of consent in its sexual misconduct policy for the purpose of determining whether sexual violence (including sexual assault) has occurred:

Consent is clear, knowing, and voluntary. Consent is active, not passive. Silence, in and of itself, cannot be interpreted as consent. Consent can be given by words or actions, if those words or actions create mutually understandable clear permission regarding willingness to engage in (and the conditions of) sexual activity. If coercion, intimidation, threats, or physical force are used, there is no consent.

If a person is mentally or physically incapacitated so that the person cannot understand the fact, nature, or extent of the sexual situation, there is no consent. Incapacitation can be due to

alcohol or drugs or being asleep or unconscious. This policy also covers incapacity due to mental disability, involuntary physical restraint, or from the taking of rape drugs. Possession, use and/or distribution of any of these substances, including Rohypnol, Ketamine, GHB, Brundage, etc. is prohibited, and administering one of these drugs to another person is a violation of this policy. More information on these drugs can be found at <http://www.911rape.org/>

Use of alcohol or other drugs will never function as a defense to a violation of this policy. An individual violates this policy if the individual initiates and engages in sexual activity with someone who is incapacitated, and (1) the individual knew the other person was incapacitated, or (2) a sober reasonable person under similar circumstances as the person initiating the sexual activity would have known the other person was incapacitated.

There is also no consent when there is force, expressed or implied, or use of duress or deception upon the victim. Whether an individual has taken advantage of a position of influence over an alleged victim may be a factor in determining consent. Force is the use of physical violence and/or imposing on someone physically to gain sexual access. Force also includes overt threats, implied threats, intimidation, and coercion that overcome resistance or produce consent.

Coercion is unreasonable pressure for sexual activity. Coercive behavior differs from seductive behavior based on the type of pressure someone uses to get consent from another. When someone makes clear to you that they do not want sex, that they want to stop, or that they do not want to go past a certain point of sexual interaction, continued pressure beyond that point can be coercive.

Under Arkansas law, the age of consent varies with the degrees of assault, the age of the actor, and the relationship of the actor to the other party. For specific information, please refer to Arkansas statutes (e.g., Arkansas Code Annotated § 5-14-125, Sexual Assault in the Second Degree).

Consent to any one form of sexual activity cannot automatically imply consent to any other forms of sexual activity. In addition, previous relationships or prior consent cannot imply consent to future sexual acts.

Risk Reduction

If you find yourself in an uncomfortable sexual situation, these suggestions may help you reduce your risk:

- Make your limits known before going too far.
- You can withdraw consent to sexual activity at any time. Do not be afraid to tell a sexual aggressor “NO” clearly and loudly.
- Try to remove yourself from the physical presence of a sexual aggressor. Be direct as possible about wanting to leave the environment.
- Grab someone nearby and ask them for help.
- Be responsible about your alcohol and/or drug use. Alcohol and drugs can lower your sexual inhibitions and may make you vulnerable to someone who views an intoxicated/high person as a sexual opportunity.

- Attend large activities or parties with friends you trust. Watch out for your friends and ask that they watch out for you.
- Be aware of someone trying to slip you an incapacitating “rape drug” like Rohypnol or GHB.

If you find yourself in the position of being the initiator of sexual behavior, these suggestions may help you to reduce your risk of being accused of sexual assault or another sexual crime:

- Remember that you owe sexual respect to the other person.
- Don’t make assumptions about the other person’s consent or about how far they are willing to go.
- Remember that consent to one form of sexual activity does not necessarily imply consent to another form of sexual behavior.
- If your partner expresses a withdrawal of consent, stop immediately.
- Clearly communicate your sexual intentions so that the other person has a chance to clearly tell you their intentions.
- Consider “mixed messages” a clear sign that the other person is uncomfortable with the situation and may not be ready to progress sexually.
- Don’t take advantage of someone who is really drunk or on drugs, even if they knowingly and intentionally put themselves in that state. Further, don’t be afraid to step in if you see someone else trying to take advantage of a nearly incapacitated person.
- Be aware of the signs of incapacitation, such as slurred speech, bloodshot eyes, vomiting, unusual behavior, passing out, staggering, etc.

It is also important to be aware of the warning signs of an abusive person. Some examples include: past abuse; threats of violence or abuse; breaking objects; using force during an argument; jealousy; controlling behavior; quick involvement; unrealistic expectations; isolation; blames others for problems; hypersensitivity; cruelty to animals or children; “playful” use of force during sex; Jekyll-and-Hyde personality.

Bystander Intervention

In addition to reporting incidents to appropriate authorities, below are some ways in which individuals can take safe and positive steps to prevent harm and intervene when there is a risk of dating violence, domestic violence, sexual assault, or stalking against another person.

- Look out for those around you.
- Realize that it is important to intervene to help others.
- Treat everyone respectfully. Do not be hostile or an antagonist.
- Be confident when intervening.
- Recruit help from others if necessary.
- Be honest and direct.
- Keep yourself safe.
- If things get out of hand, don’t hesitate to contact the police.

Other Information Covered by the PPAP

The PPAP also provides information on possible sanctions and protective measures that may be imposed following a determination that an offense of dating violence, domestic violence,

sexual assault, or stalking has occurred, an explanation of the disciplinary procedures that will be followed when one of these offenses is alleged, the rights of the parties in such a proceeding, available resources, and other pertinent information. Much of this information is set forth in the upcoming sections of this security report.

Ongoing Prevention and Awareness Campaign:

The College also conducts an Ongoing Prevention and Awareness Campaign (OPAC) aimed at all students and employees. This campaign covers the same material as provided in the PPAP, but is intended to increase the understanding of students and employees on these topics and to improve their skills for addressing the offenses of dating violence, domestic violence, sexual assault and stalking.

PPAP and OPAC Programming Methods:

The PPAP and OPAC are carried out in a variety of ways, using a range of strategies, and, as appropriate, targeting specific audiences throughout the college. Methods may include, but are not limited to: presentations, online training modules, distribution of written materials, periodic email blasts, and/or guest speakers. A summary of this programming is provided below.

- New students receive education on the prevention of dating violence, domestic violence, sexual assault, and stalking through a presentation during new student orientation. Students also have access to online training as provided by the University of Arkansas System through the classroom portal utilized for all classes. All new employees are required to complete an online training module on these topics upon hire as well as take continuing training each year.
- As part of its ongoing campaign, the College uses a variety of strategies, such as in person presentations, emails blasts with pertinent information, portal announcements, etc. While programming occurs throughout the year, the College also offers educational sessions and literature in coordination with nationally recognized observances such as Sexual Assault Awareness Month and Domestic Violence Awareness Month.

Procedures to Follow if You are a Victim of Dating Violence, Domestic Violence, Sexual Assault, or Stalking:

If you are a victim of dating violence, domestic violence, sexual assault, or stalking, go to a safe place and call 911 or call the Campus Safety Department at (870) 307-2421. You may also contact the College's Title IX Coordinator at (870) 612-2014.

Victims will be notified in writing of the procedures to follow, including:

1. To whom and how the alleged offense should be reported (contact the Title IX Coordinator or refer to the other resources listed in this report).
2. The importance of preserving evidence that may be necessary to prove the offense in a criminal proceeding or disciplinary action or to obtain a protective order.
3. The victim's options regarding notification to law enforcement, which are: (a) the option to notify either on-campus or local police; (b) the option to be assisted by

campus security authorities in notifying law enforcement if the victim so chooses (the institution is obligated to comply with such a request if it is made); and (c) the option to decline to notify such authorities.

4. Where applicable, the rights of victims and the institution's responsibilities regarding orders of protection, no-contact orders, restraining orders, or similar lawful orders issued by a criminal, civil, or tribal court.

Preservation of Evidence & Forensic Examinations

Victims of physical assault are advised to not remove clothing items worn during or following an assault, as they frequently contain valuable fiber, hair, and fluid evidence. Don't bathe or wash, or otherwise clean the environment in which the assault occurred. You can obtain a forensic examination at White River Medical Center, 1710 Harrison St., Batesville, AR 72501, phone (870) 262-1200.

Completing a forensic examination does not require you to file a police report, but having a forensic examination will help preserve evidence in case you decide at a later date to file a police report.

Victims are also advised to retain evidence in electronic formats (e.g., text messages, emails, photos, social media posts, screenshots, etc.). Such evidence is valuable in all situations, and it may be the only type of evidence available in instances of stalking.

Security/Law Enforcement & How to Make a Police Report

- Campus Safety at (870) 307-2421 or (870) 612-2033
- Batesville Police Department at 710 S. St. Louis Street, Batesville, or (870) 698-2436 (Dispatch)
- To make a police report, a victim should contact the local police agency listed above either by phone or in-person. The victim should provide as much information as possible, including name, address, and when and what occurred, to the best of the victim's ability.

Information about Legal Protection Orders

In Arkansas, victims may obtain an Order of Protection, which provides protective relief for victims of domestic violence, stalking, or sexual assault. Information about Orders of Protection may be found at: <https://arcourts.gov/administration/domestic-violence-forms>

A protection order may be obtained by filing a petition with the court. Courts can issue two types of orders: (1) Ex Parte Orders, which act as a temporary emergency order issued without a hearing, which remains in effect until a full hearing can be held (typically 30 days), until a court hearing, and (2) Final Orders of Protection, Issued after a court hearing, and may be valid for up to 10 years (or longer in some cases, especially when violations occur). Additional information about the orders may be found at: <https://arcourts.gov/forms-and-publications/court-forms>

- A Petition for Order of Protection should be filed in the Circuit Court of the County:
- The petitioner (victim) lives,
- The respondent (abuser) lives, or
- The abuse occurred.

For example, in Independence County, petitions can be filed at:

Independence County Circuit Court
549 W Main Street,
Batesville, AR 72501

- Information about obtaining an Order of Protection in Independence County can be found by emailing: countyclerk@independencecounty.com
- The circuit court clerk's office can provide the necessary forms and may assist in completing the forms. A victim should be prepared to present documentation and/or other forms of evidence when filing for an order of protection.

Victims may contact local domestic violence and sexual assault advocates for assistance in obtaining a protection order.

- The Batesville Family Violence Prevention Department provides advocates for victims of domestic violence through their Victim Services Office. The Family violence Prevention Department is located at: 192 E Main St, Batesville, AR 72501. The Victim Advocate phone number is: 870-793-8111. More information may be found at: <https://www.batesvillefamilyviolence.com>

When a protection order is granted, it is enforceable statewide. If you have obtained a protection order and need it to be enforced in your area, you should contact the local police department.

The College will also enforce any temporary restraining order or other no contact order against the alleged perpetrator from a criminal, civil, or tribal court. Any student or employee who has a protection order or no contact order should notify the Title IX Coordinator and provide a copy of the restraining order so that it may be kept on file with the institution and can be enforced on campus, if necessary. Upon learning of any orders, the institution will take all reasonable and legal action to implement the order.

The College does not issue legal orders of protection. However, as a matter of institutional policy, the institution may impose a no-contact order between individuals in appropriate circumstances. The institution may also issue a "no trespass warning" if information available leads to a reasonable conclusion that an individual is likely to cause harm to any member of the campus community. A person found to be in violation of a No Trespass Warning may be arrested and criminally charged.

Available Victim Services:

Victims will be provided written notification about existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid, and

other services available to them, both within the College and in the surrounding community. Those services include:

College Resources

- Counseling services are available FREE to all students at UACCB. Similar counseling services are also available to employees but is not free. The counseling office is open Monday-Friday, 8:00 am-5:00 pm. If you are suffering with mental health issues like stress, anxiety, or depression, please contact Maggie Beshears, LPC. This service can provide other mental health resources. The office number is 870-612-2035. This is a non-crisis line. For immediate assistance, please go to the nearest emergency room, contact 911, or call the National Suicide Prevention Hotline by dialing 988.
- Student Financial Aid – Sometimes a victim of a crime may feel the need to take a leave of absence from school. If a student is considering a leave of absence based on the circumstances of a complaint, he/she should understand there may be financial aid implications in taking such leave. This should be discussed with financial aid personnel, and the Title IX Coordinator can assist in facilitating this conversation if desired. The College's financial aid website can be found at: <https://www.uaccb.edu/financial-aid/>.

Accommodations and Protective Measures:

The College will provide written notification to victims about options for, and available assistance in, changing academic, living, transportation, and working situations or protective

measures. If victims request these accommodations or protective measures and they are reasonably available the College is obligated to provide them, regardless of whether the victim chooses to report the crime to campus security or local law enforcement.

Requests for accommodations or protective measures should be made to the Title IX Coordinator at (870) 612-2014, and the Title IX Coordinator is responsible for deciding what, if any, accommodations or protective measures will be implemented.

When determining the reasonableness of such a request, the College may consider, among other factors, the following:

- The specific need expressed by the complainant.
- The age of the students involved.
- The severity or pervasiveness of the allegations
- Any continuing effects on the complainant
- Whether the complainant and alleged perpetrator share the same class or job location.
- Whether other judicial measures have been taken to protect the complainant (e.g., civil protection orders).

The College will maintain as confidential any accommodations or protective measures provided a victim to the extent that maintaining confidentiality would not impair the College's ability to provide them. However, there may be times when certain information must be disclosed to a third party in order to implement the accommodation or protective measure. Such decisions will be made by the College in light of the surrounding circumstances, and disclosures of this nature will be limited so that only the information necessary to implement the accommodation or protective measure is provided. In the event it is necessary to disclose information about a victim in order to provide an accommodation or protective order, the College will inform the victim of that necessity prior to the disclosure, including which information will be shared, with whom it will be shared and why.

Procedures for Disciplinary Action:

Allegations of domestic violence, dating violence, sexual assault, or stalking will be processed through the College's Title IX Policy or as detailed in the Student Code of Conduct or the Employee Code of Conduct guidelines, as applicable, and the related complaint resolution procedures therein.

The complaint resolution procedures are invoked once a report is made to one of the following individuals:

Reports may be made in person, by phone, or by email. An electronic form available at <https://www.uaccb.edu/incident-report-form> can also be used to file a report. Anonymous reports are accepted by entering Anonymous in the name field.

Once a formal complaint is made, the Title IX Coordinator, or other College employee as appropriate, will provide notice to the parties of the investigation, including a description of the process to be utilized, the identities of the parties, the conduct at issue, and the date and location of the alleged incident.

During the investigation, the complainant and respondent will each have an equal opportunity to describe the situation and present witnesses, including both fact and expert witnesses, and other supporting evidence. The investigator(s) will review the statements and evidence presented and may, depending on the circumstances, interview others with relevant knowledge, review documentary materials, and take any other appropriate action to gather and consider information relevant to the complaint. Prior to the conclusion of the investigation, both parties will be provided an opportunity to review the evidence gathered during the investigation that is directly related to the allegations raised in the formal complaint. Upon completion of the investigation, both parties will be given a copy of an investigation report.

In Title IX cases, a live hearing will be conducted to make a determination as to whether any allegations in the complaint were found to be substantiated by a preponderance of the evidence. During the hearing, each party's advisor will be permitted to ask the other party and any witnesses all relevant questions and follow-up questions including those bearing on credibility. The decision maker(s) will issue a written determination of responsibility, a statement of any disciplinary sanctions and whether any remedies will be provided to the complainant, and a description of the procedures and permissible grounds for appeal. The parties will be notified of this determination in writing within ten (10) days of it being made. The College will make every reasonable effort to ensure that the investigation and resolution of a complaint occurs in as timely and efficient a manner as possible.

Both parties have an equal opportunity to appeal the determination by filing a written appeal with the Chancellor within seven (7) days of being notified of the outcome of the investigation. The non-appealing party will be notified of the appeal and permitted to submit

a written statement in response. The Chancellor (or designee) or Appeal Panel will issue a written decision describing the result of the appeal and the rationale for the result. The decision on appeal may uphold the decision, modify it, or remand for further factual development. The decision-maker on appeal will concurrently notify the complainant and the respondent of the decision, with a written copy provided to the Title IX Coordinator.

These procedures apply to all grievances regarding conduct that may constitute sexual harassment as defined in this policy (including sexual assault) and that falls within the University's Title IX jurisdiction. All other grievances by students, employees, or third parties shall be addressed through other procedures. The University's Title IX grievance process includes formal and informal procedures that encourage prompt resolution of complaints. In most cases, the complainant's submission of a formal, written complaint to the Title IX Coordinator will initiate the formal grievance process. However, the Title IX Coordinator may also submit a formal complaint under the circumstances outlined in the Title IX Policy. The University will respond promptly to all formal complaints of sexual harassment.

Informal Resolution: At any time after a formal written complaint is filed but prior to reaching a determination regarding responsibility, the University may facilitate a resolution without a full investigation and adjudication. The complainant and respondent must give their voluntary, written consent to the informal resolution process. The informal resolution process will not be utilized to resolve allegations that an employee sexually harassed a student. Prior to commencing the informal resolution process, the Title IX Coordinator or designee must provide the parties a written notice that includes the following information:

- Notice of the allegations contained in the formal complaint, including dates, location(s), and identities of the parties
- Any agreed upon resolution reached at the conclusion of the informal complaint process will preclude the parties from resuming a formal complaint arising from the same allegations
- At any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint
- Any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared

Rights of the Parties in an Institutional Proceeding:

During the course of the process described in the previous section, both the accuser and the individual accused of the offense are entitled to:

1. A prompt, fair and impartial process from the initial investigation to the final result.
 - A prompt, fair and impartial process is one that is:
 - Completed within reasonably prompt timeframes designated by the institution's policy, including a process that allows for the extension of timeframes for good cause, with written notice to the accuser and the accused of the delay and the reason for the delay.
 - Conducted in a manner that:
 - Is consistent with the institution's policies and transparent to the accuser and the accused.

- Includes timely notice of meetings at which the accuser or accused, or both, may be present; and
 - Provides timely access to the accuser, the accused and appropriate officials to any information that will be used during the informal and formal disciplinary meetings and hearings.
 - Conducted by officials who do not have a conflict of interest or bias for or against the accuser or the accused.
2. Proceedings conducted by officials who, at a minimum, receive annual training on the issues related to dating violence, domestic violence, sexual assault, and stalking and on how to conduct an investigation and hearing process that protects the safety of victims and promotes accountability.
 - Such training addresses topics such as the definition of sexual harassment; the scope of the College's education programs and activities; how to conduct investigations, hearings, and appeals and informal resolutions (as applicable); relevant evidence and how it should be used during a proceeding; proper techniques for questioning witnesses; basic procedural rules for conducting a proceeding; and avoiding actual and perceived conflicts of interest. Officials involved in the conduct of proceedings, during the previous year, utilized the SUNY Student Conduct Institute training, which includes training modules for Title IX Investigators, Investigations Workshops, and Hearing Board Training.
 3. The same opportunities to have others present during any institutional disciplinary proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice. The institution may not limit the choice of advisor, but may establish limits regarding the extent to which that advisor may participate in the proceeding, as long as those limits apply equally to both parties.
 4. Have the outcome determined using the preponderance of the evidence standard .
 5. Simultaneous, written notification of the results of the proceeding, any procedures for either party to appeal the result, any change to the result, and when the result becomes final. For this purpose, "result" means "any initial, interim and final decision by an official or entity authorized to resolve disciplinary matters" and must include the rationale for reaching the result and any sanctions imposed.

Possible Sanctions or Protective Measures that the College May Impose for Dating Violence, Domestic Violence, Sexual Assault or Stalking Offenses:

Following a final determination in the institution's disciplinary proceeding that dating violence, domestic violence, sexual assault, or stalking has been committed, the institution may impose a sanction depending on the mitigating and aggravating circumstances involved.

Sanctions against students may include, without limitation, expulsion or suspension from the University, disciplinary probation, expulsion from campus housing, mandated counseling,

and/or educational sanctions. **Sanctions against employees and other non-students** may include, without limitation, a written reprimand, disciplinary probation, suspension, termination, demotion, reassignment, revision of job duties, reduction in pay, exclusion from campus or particular activities, and/or educational sanctions deemed appropriate.

In addition, the College can make available to the victim a range of protective measures. They include: forbidding the accused from communicating with the victim, other institutional no-contact orders, security escorts, modifications to academic requirements or class schedules, changes in working situations, etc.

Publicly Available Recordkeeping:

The College will complete any publicly available recordkeeping, including Clery Act reporting and disclosures, without the inclusion of personally identifiable information about victims of dating violence, domestic violence, sexual assault, and stalking who make reports of such to the College to the extent permitted by law.

Victims to Receive Written Notification of Rights:

When a student or employee reports to the College that he or she has been a victim of dating violence, domestic violence, sexual assault, or stalking, whether the offense occurred on or off campus, the College will provide the student or employee a written explanation of his or her rights and options as described in the paragraphs above.

Sex Offender Registration Program:

The Campus Sex Crimes Prevention Act of 2000 requires institutions of higher education to advise members of the campus community where they can obtain information provided by the state concerning registered sex offenders. It also requires sex offenders to notify the state of each institution of higher education in the state at which they are employed or enrolled or carrying on a vocation. The state is then required to notify the College of any such information it receives. Anyone interested in determining whether such persons are on this campus may do so by contacting the College Provost/Title IX Coordinator at (870) 612-2014. Timely Warnings & Emergency Response

Timely Warnings

In the event of criminal activity occurring either on campus or off campus that in the judgment of the Chancellor or Provost constitutes a serious or continuing threat to members of the campus community, a campus-wide “timely warning” will be issued. Examples of such situations may include a sexual assault or a series of motor vehicle thefts in the area that merit a warning because they present a continuing threat to the campus community. Warnings will be communicated to students and employees via one or more of the methods discussed later in this section. Updates to the warnings will be provided as appropriate.

Anyone with information warranting a timely warning should immediately report the circumstances to:

- Campus Safety, (870) 307-2421
- Provost, (870) 612-2004
- Executive Director of Facilities and Auxiliary Services, (870) 612-2039
- Chancellor, (870) 612-2001

The College has communicated with local law enforcement asking them to notify the College if it receives reports or information warranting a timely warning.

Emergency Response

The College has an emergency management plan designed to ensure there is a timely and effective response in the event of a significant emergency or dangerous situation occurring on campus involving an immediate threat to the health or safety of members of the campus community. Such situations include, but are not limited to: tornadoes, bomb threats, chemical spills, disease outbreaks, fires, active shooters, etc. The College has communicated with local police requesting their cooperation in informing the College about situations reported to them that may warrant an emergency response.

Students, staff and visitors are encouraged to notify the Campus Safety Department at (870) 307-2421 of any emergency or potentially dangerous situation.

The Chancellor and/or other Administrative Cabinet members will access available sources of information from campus administrative staff and local authorities to confirm the existence of the danger and will be responsible for initiating the institution's response and for marshaling the appropriate local emergency response authorities for assistance. Depending on the nature of the emergency, other College departments may be involved in the confirmation process.

Once the emergency is confirmed and based on its nature, the Chancellor will consult with other appropriate College officials to determine the appropriate segment or segments of the College community to be notified.

The Chancellor, in collaboration with other appropriate personnel, will determine who should be notified, and will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to or otherwise mitigate the emergency.

Depending on the segments of the campus the notification will target, the content of the notification may differ. When appropriate, the content of the notification will be determined in consultation with local authorities. Also, as appropriate, the notification will give guidance as to whether its recipients should shelter in place or evacuate their location.

The Chancellor will direct the issuance of emergency notifications, which will be accomplished using one or more of methods discussed later in this section, depending on the nature of the threat and the segment of the campus community being threatened.

At the direction of the Chancellor, the University will notify local law enforcement of the emergency, if they are not already aware of it, and local media outlets in order that the larger community outside the campus will be aware of the emergency.

Testing & Documentation

The College tests its emergency response and evacuation procedures at least once a year. The tests may be announced or unannounced. Also, at various times, the Emergency Management Team will meet to train and test and evaluate the College's emergency response plan.

The Campus Safety Department maintains a record of these tests and training exercises, including a description of them, the dates and times they were held and an indication of whether they were announced or unannounced. In connection with at least one such test, the College will distribute to its students and employees information to remind them of the College's emergency response and evacuation procedures.

Stop Campus Hazing Policy and Programming

The playing of abusive or truculent tricks on or off the property of the College by one Student, alumnus, or volunteer or employee of a fraternal organization if the volunteer or employee is acting on behalf of, or in the name of, the fraternal organization, acting alone, or acting with others, upon another Student to frighten or scare him or her; (c.) A willful act on or off the property of the College by one Student, alumnus, or volunteer or employee of a fraternal organization if the volunteer or employee is acting on behalf of, or in the name of, the fraternal organization, acting alone, or acting with others which is directed against any other Student done for the purpose of humbling the pride, stifling the ambition, or impairing the courage of the Student attacked or to discourage him or her from remaining in that school, college, university, or other educational institution, or reasonably to cause him or her to leave the institution rather than submit to such acts; or (d.) A willful act on or off the property of the College by one Student,

alumnus, or volunteer or employee of a fraternal organization if the volunteer or employee is acting on behalf of, or in the name of, the fraternal organization, acting alone, or acting with others in striking, beating, bruising, or maiming; or seriously offering, threatening, or attempting to strike, beat, bruise, or maim; or to do or seriously offer, threaten, or attempt to do physical violence to any Student of any such educational institution; or any assault upon any such Student made for the purpose of committing any of the acts, or producing any of the results, to such Student as defined in this section, is prohibited by the University.

If you are a victim of hazing, go to a safe place and call 911. You may also contact the institution's Campus Security Department at (870) 307-2421 or the Office of Student Affairs at (870) 612-2014. Those who witness or hear about an incident of hazing are also encouraged to report in the same manner.

When a report of hazing is received, the Student Affairs officer or Human Resources office will make a determination regarding whether an investigation must occur. If so, an investigator will be assigned to gather information and conduct interviews, as appropriate. The investigator will report any findings and make a recommendation for sanctions as appropriate to the relevant administrator for implementation. The institution strives to complete the investigation within 30 days.

An individual may appeal the decision to the Chancellor or their designee within 5 days of being notified of the decision. The appeal officer will render a decision within 14 days of receiving an appeal. The appeal officer's decision is final.

Hazing Prevention and Awareness Program

The institution provides prevention and awareness programming related to hazing during New Student Orientation as well as through training opportunities via the Blackboard learning portal. The campus community is reminded that hazing is prohibited and is provided information regarding how to file a report how reports of hazing are investigated and information regarding local, state and tribal laws on hazing.

The institution also provides research-informed programming for students and employees that covers a wide range of information designed to stop hazing before it occurs. It includes information regarding bystander intervention, such as how to take steps to watch out for those around you, as well as information regarding ethical leadership. Community members are also provided information regarding how to strengthen group ties without engaging in hazing behavior.
