

2018 Diabetic Testing Supplies Changes

In an effort to provide appropriate, affordable health care options while managing drug costs, the University of Arkansas prescription drug plan has selected **Abbott Diabetes Care**, the maker of **FreeStyle** and **Precision** brand products as the **only supplier for diabetic testing supplies, starting January 1st, 2018.**

- FreeStyle Lite[®] meters
- FreeStyle Freedom Lite[®] meters
- Precision Xtra[®] meters
- FreeStyle Lite[®] test strips
- Precision Xtra[®] test strips
- Precision Xtra[®] Beta Ketone test strips

What do you need to do?

1. Get a new **FREE** meter* by choosing from one of the options below:
 - a. Get a new meter prescription from your doctor, go to your local pharmacy and request a meter, or...
 - b. Order online at www.ChooseFreeStyle.com, with Offer Code: BQQ3WIQA.

2. Keep using the test strips with your current meter until your supplies run out. Your pharmacist will refill your test strips with strips that work with your new meter. When you no longer have any refills, ask your Doctor for a new test strip prescription that works with your new meter.

Additional product information is available from ADC Customer Care at 1-800-522-5226 or online at www.AbbottDiabetesCare.com.

For questions or help with your new meter, contact your doctor or call the Abbott Diabetes Care help line at 1-800-522-5226, Monday through Friday, 8 am – 8 pm ET.

Sincerely,

MedImpact and the University of Arkansas Pharmacy Advisory Committee

*The free meter is provided as a sample and is limited to one meter per eligible person. The meter cannot be resold nor submitted for any third party payer for reimbursement. FreeStyle and related brand marks are trademarks of Abbott Diabetes Care Inc.
