

Save \$300

by making the right call
to enroll in Maternity
Management

Don't miss out on your chance to receive a \$300 inpatient copay waiver. It's your reward for signing up for the free maternity management program. When you join, you will receive one-on-one phone calls from a nurse coach and free educational materials.

Moms-to-be must enroll during their first trimester to qualify for the \$300 waiver. If you are in your second trimester, you can receive a \$150 waiver by enrolling.

You also must complete assessment calls, including a final assessment, and complete the maternity management satisfaction survey after delivery.

Please note: Incentives, including gift cards, may be considered taxable income.
