GRADES 4-6

COURSE DESCRIPTIONS

3-D Printing & Modeling

Learn to be creative with 3-D printing! Make your own widget, toy or tool. Come prepared to think outside the box, learn how a 3-D printer works and how to draw and design using a computer. Zach Harber, instructor.

Advanced Coding for Kids

Take your coding skills to the next level. Explore coding with websites such as code.org, Scratch, Tynker and more. Leave this class with a game built using your amazing coding skills. Denise Hogan, instructor.

American Fitness

Get active! Start moving each day with stretching and a warm up, then a light jog followed by fun active games. You will learn good sportsmanship and how to be a team player. Laura Seaton, instructor.

American Landmarks with Legos

Where is the Liberty Bell? Have you been to the Grand Canyon? Explore the USA by taking virtual tours of American landmarks. Would you like to stand on the Golden Gate Bridge? After the virtual tours, recreate the landmarks you visited using Legos. Denise Hogan, instructor.

Crafty Creations – America the Beautiful

Celebrate America the Beautiful by creating many patriotic crafts. Paint an American Flag canvas, draw bald eagles, create Uncle Sam crafts, create flags with popsicle sticks, paint fireworks scenes and make patriotic jewelry. Melanie Brustrom, instructor.

Cubelet Robot Building

Like building robots? Cubelets are small square blocks that each have a job and if you put the correct ones together, you can build a robot! It may be a flashlight robot, a dancing robot, a twirling robot, a fast racing robot...there are endless possibilities! Denise Hogan, instructor.

Game On – In America

Learn interactive math, geography, science, and enhance your reading skills using fun, safe and educational websites. Nat Geo, Switcheroo Zoo, Fun Brain, Cool Math and more! Laura Seaton, instructor.

Little House on Poke Bayou

In this class, gain an appreciation for life during the 1800s through weaving, candle making, churning butter and ice cream, games and more. You will learn how things were once made in America as well as at home. Amanda Nikkel, instructor.

Made in Native America

Through hands on activities and crafts such as pottery, cornhusk figures, games and more, students will gain an appreciation for Native American life in our region. Amanda Nikkel, instructor.

Map It Out!

Roll your sleeves up and get ready to create salt dough maps and 3D maps of a state that you always wanted to visit. You will research the physical features of your chosen state in order to recreate salt maps, 3D maps and edible maps. You will be able to take your creations home when it is completed. Melanie Brustrom, instructor.

“Dovey was ready to sign up for next year after the first day!” We love this camp!” — Haley Stephens

Patriotic Art Creations

Get your crafty on by making a fireworks painting, red, white and blue windsocks, popsicle stick flags, statue of liberty painting and patriotic red, white and blue sand and jewelry. Whitney Morehead, instructor.

Read All About It! – Reader’s Theater

Journey back in time as you transform into an important character from U.S. History! You will become characters from The American Revolutionary War, Paul Revere's Midnight Ride, The Boston Tea Party, Writers of the U.S. Constitution, and Heroes from famous American Tall Tales. Students will read scripts and make props to go along with the scripts. Melanie Brustrom, instructor.

Ready, Set, Build

Get ready to test your engineering abilities when you work in small groups to construct famous U.S. landmarks/symbols using recyclable materials. You will plan, build, and test your structures during this class. Some structures that you will construct include The Golden Gate Bridge, Hoover Dam, a freestanding flagpole, a presidential monument and The Gateway Arch. Melanie Brustrom, instructor.

Teamwork in the USA

Do you like to be part of a team? Work together as a team to build balloon and cup towers, structures made with popsicle sticks, words with your bodies and molecules. Play fun teambuilding games and learn how to relax with yoga. Whitney Morehead, instructor.

Thinking Spatially Using GIS

In this class, you will be introduced to Geographic Information Systems (GIS) using computer technology. Create online projects to track settlement patterns of the U.S., tracking natural disaster patterns and more! This class is a fun way to learn new computer technology and how spatial information affects our day to day lives in the U.S. Becky Warren, instructor.

USA Science Experiments

Ever thought about how sodas affect your teeth? In this class, you will learn lots about your body including the effects of sugary drinks on your teeth, make 3D layers of skin and blood, make fake snot and design pool noodle backbones. Whitney Morehead, instructor.

Welding, What Is That?

Welding is a science that holds our world together. Does flying sparks and electricity sound exciting? Come join us to learn, have fun and be creative. UACCB's virtual reality welding simulator will help you learn the skills needed to be a great welder. Zach Harber, instructor.

Register early. Deadline May 17th. Classes fill quickly!

“Great program, seamless pickup and drop off.” — Zelda May

Volunteers entering 8th grade to adults (over 18) are needed every year to assist with Kids' College. Volunteers help with many areas of the program, including organization, decoration, set-up, sorting supplies, serving meals and snacks, clean up, assisting teachers with children's hands-on activities, herding children and more. Volunteers receive a certificate for the community service hours they contribute to Kids' College. Volunteers over 18 will be required to have a criminal background check. If interested in volunteering, call 870-612-2082 or email katrina.stevens@uaccb.edu for more information.

“Niko really enjoyed all his classes and is already excited for next year. We have had two children go through Kids' College over the years and both have loved it. My daughter (Katherine) loved it so much that she is now a volunteer student for the program.” — Amanda Steward

I approve of my child's application and enrollment in Kids' College 2019. While my child is enrolled in this program, I will take responsibility for seeing that he/she complies with appropriate student behavior guidelines. Inappropriate behavior or discipline problems **will result** in dismissal from this program and a refund will not be given. I will also ensure that my child arrives on campus no earlier than 8:15 a.m. for morning sessions. He/she will be picked up immediately following his/her last class. I understand photographs and/or videos of my child may be taken during participation in program activities and that they may be used in future University of Arkansas Community College at Batesville publications and on the UACCB web page and UACCB social media.

RELEASE OF WAIVER OF LIABILITY (PART 3 OF 3)

I give permission for my child _____ to participate in Kids' College camp held at the University of Arkansas Community College, 2005 White Drive, Batesville, AR, owned and/or operated by the Board of Trustees of the University of Arkansas for and on behalf of the University of Arkansas Community College at Batesville (University). I acknowledge and accept that the camp may expose my child to hazards and risks, including injury or death, and that the University cannot control these risks. I acknowledge there may be physically strenuous activities and certify that my child is fit and capable of such participation. I understand that the University is not responsible for any medical expenses associated with any personal injury my child may sustain and understand that the University does not provide medical insurance for me and my child. I certify that my child is covered by adequate insurance to cover any personal injury which he may sustain while participating in this camp.

In consideration of the University providing the opportunity for my child to participate in this camp, I release the University, its Board of Trustees, officers, employees, and representatives from any and all liability to me and my child, our personal representatives, estate, heirs, and assigns for any and all claims, demands and causes of action for any and all illness or injury to my child, including death arising out of, during or in any way connected with this camp. I agree to indemnify and hold harmless, waive and covenant not to sue the University, its Board of Trustees, officers, employees, and representatives, from liability for the injury or death of any person(s) or damage to property that may result from my child's negligent or intentional act or omission while participating in the camp.

I hereby authorize the staff of this camp to act for me according to their best judgment in any emergency requiring medical attention. I authorize and give consent for the University to administer general first aid for any minor injuries or illnesses experienced by my child. If my child is in need of emergency medical care and the University is not able to reach me or the emergency contact, I authorize the University to sign all necessary papers and arrange for emergency treatment and hospital care.

KIDS' COLLEGE 2019 SCHOLARSHIP APPLICATION

The University of Arkansas Community College at Batesville Kids' College scholarship is for a *partial* scholarship. This scholarship may be applied to the tuition costs for one week of the 2019 Kids' College. There is no guarantee of funding. Scholarship funding depends on UACCB's fundraising efforts and the number of applicants. **Scholarships will be awarded based on a first come, first serve basis.**

In addition to completing this form, parents or guardians must furnish a copy of the 2018 individual income tax return (1040). Deadline to apply for scholarship is **May 17, 2019**. The parent portion for the partial scholarship is \$60. Your \$60 payment ensures your child's reserved seat in classes and must be submitted with *the copy of your 1040 individual income tax return, the scholarship application, the kids' college application, registration and release of waiver of liability* (p. 7-9). For more information, email katrina.stevens@uaccb.edu or contact 870-612-2082.
