Grades 4-6
Course Descriptions

Areas of Science. Through hands-on experiments, you will experience different branches of science. Each day focuses on one of the following areas: the science of water, electricity, chemical reactions, life science, work and power. Sheryl Greenway, instructor.

Arkansas Indians and Mask Making. Hey kids! Did you know that the most fierce-looking Indians lived right here in our neighborhood? Come learn about this group of Native Americans. You will make an awesome mask that is sure to scare the feathers off your friends! Lisa Harber Hurtt, instructor.

Around the World Crafts and Snacks. Explore Australian wildlife and make your own didgeridoo musical instrument and fairy bread. Go to China on your Chinese dragon and eat fortune cookies. In Mexico, make your own salsa, chips and bean dip. Then make your way to the USA and impress your friends with American flag fruit bars. Tiffany Cooper, instructor.

Awesome Dragons. Flying around every castle is usually a dragon or two. Dragons are interesting and mysterious. In this class, you will discover the world of dragons and you will use your creative mind to make your own dragon. Get your imagination hat on and come create some awesome dragons! Melissa Taylor, instructor.

Awesome Journal Covers. Do you write every day in your journal at school? In this class, you will make one-of-a-kind journal covers using an eraser, magic markers and a linozip! What’s a linozip? Come join us to find out! Lisa Harber Hurtt, instructor.

Castles Galore. Do you like castles? How cool would it be to design and make your own castle using household paper products? Come join in the fun while making and designing your own castle! Ashton Gillihan, instructor.

Computer Games. Stretch the mind and be creative as you interact through technology and have fun exploring educational, interactive games on the internet. You will enhance your hand-eye coordination and feel more comfortable with the computer and mouse. All the skills learned will sharpen your critical thinking. Kathryn Winfrey, instructor.
**Cool Cooking.** Do you want to learn how to cook without the cooking? Learn how to make no-bake cookies, Cheerio treats, Oreo delight and several other delicious desserts without using the stove. You’ll also get to create your own personalized recipe book to take home! You’ll have a blast! Amy Walling, instructor.

**Crafty Boys.** Who says all crafts have to be girly? There are a lot of crafts that are fun for boys as well! You will enjoy making slime, paper airplanes, paper straw rockets and much more! Tiffany Cooper, instructor.

**Crafty Creations and Fairy Tale Crafts.** Get ready to be crafty and design creations from Fairy Tale Land. You will create a castle out of cardboard materials, a knight’s shield and helmet, a prince and princess crown, a fire breathing dragon and a frog prince. This is a fun filled crafty class that ends with a “happy ever after.” Melanie Brustrom, instructor.

**Enchanted Castles.** Use your imagination to create your own awesome enchanted castle that will make any prince or princess proud. Melissa Taylor, instructor.

**Fairy Tale Reader’s Theater and Crafts.** Experience a new spin on old classic fairy tales by making tutus out of ribbon for Cinderella; pig noses out of egg cartons for the Three Little Pigs; candy apples and pretend mirrors out of aluminum for Snow White. Tiffany Cooper, instructor.

**Girl Crafts.** Want to learn to make your own scarf out of a t-shirt? How about making your own stylish headband or hair bow? Do you want to learn how to make your own duct tape wallet? Join this class and learn these crafts and more while having so much fun! Amy Walling, instructor.

**Hey Nonny, Nonny! Theatre Fit for a King.** Explore the world of knights and damsels, kings and queens, court jesters and jugglers and peek inside medieval castles and crusades. Create your own battle shield, go on a quest and perform plays about kings, queens and knights. You might even be challenged to a joust! Amanda Pickett, instructor.

**Hip Hop and Jazz Dance.** Finding your own beat to music is fun whether a beginner or an experienced dancer! This is a super fun class filled with high energy, hip hop and jazz moves. Shani Kramer, instructor.

**Hip Hop Dancing.** Do you love hip hop dancing? Then come enjoy a twist to some of your favorite fairy tale songs. Ashton Gillihan, instructor.
How to Build a “Fairy Garden.” This class will discuss popular fairy tales and what a fairy is like! You will design and build your very own fairy garden! You will gather things in nature for your garden. You never know, maybe you will catch your very own fairy! Jessica Griffis, instructor.

Junk Drawer Crafts. This class will introduce the medieval time period with a twist! You will create popular things during this era with items you would find in your junk drawer. Use your imagination to transform anything! Jessica Griffis, instructor.

Make a Fairy Tale and Go Live in It. Up, up, and away! You will leave the USA to explore different fairy tale cultures around the world, but before you return you must take a souvenir to bring back. Breanna Taylor, instructor.

Once Upon a Time Fairy Tale Reader’s Theater. Transform into a fairy tale character as you participate in the Fairy Tale Reader’s Theater. You will become a character in a different fairy tale each day. You will create a prop for your character as you act out and read the script for your character. Melanie Brustrom, instructor.

Pizzazz with Picasso. Hey kids! Do you know who Picasso is? In this class, you will be introduced to an amazing artist. You will make a sculpture using panty hose, a piece of wood and gesso. Lisa Harber Hurtt, instructor.

Robots to the Rescue. How would you like to make an awesome robot out of junk? It’s called “junk sculpture.” Each robot will be different! Lisa Harber Hurtt, instructor.

Science Games. Each day will be filled with exciting and fun science competitions! You will build your own boat and compete in teams to be the last boat floating after pennies are stacked inside. Another competition will be to create the largest tower out of toothpicks and marshmallows. Maybe you will build the best bridge or be the first to win the sponge bucket challenge. May the most creative and best teams win! It will be a wacky fun-filled week. Amy Walling, instructor.

Sensational Science. Experience the excitement of science through fun, hands-on science experiments and activities. You will conduct or create several experiments each day. Some of the activities will turn into science competitions! The activities include designing a water rocket, catapult, boats that float, borax crystals, pop rock candy experiments, soda geysers and many more! Melanie Brustrom, instructor.

I approve of my child’s application and enrollment in Kids’ College 2015. While my child is enrolled in this program, I will take responsibility for seeing that he/she complies with appropriate student behavior guidelines. Inappropriate behavior or discipline problems will result in dismissal from this program and a refund will not be given. I will also ensure that my child arrives on campus no earlier than 8:20 a.m. for morning sessions. He/she will be picked up immediately following his/her last class. I understand photographs of my child may be taken during participation in program activities and that they may be used in future University of Arkansas Community College at Batesville publications and on the UACCB web page.

RELEASE OF WAIVER OF LIABILITY (PART 3 OF 3)

I give permission for my child ______________________________ to participate in Kids’ College camp held at the University of Arkansas Community College, 2005 White Drive, Batesville, AR, owned and/or operated by the Board of Trustees of the University of Arkansas for and on behalf of the University of Arkansas Community College at Batesville (University). I acknowledge and accept that the camp may expose my child to hazards and risks, including injury or death, and that University cannot control these risks. I acknowledge there may be physically strenuous activities and certify that my child is fit and capable of such participation. I understand that University is not responsible for any medical expenses associated with any personal injury my child may sustain and understand that University does not provide medical insurance for me and my child. I certify that my child is covered by adequate insurance to cover any personal injury which he may sustain while participating in this camp.

In consideration of University providing the opportunity for my child to participate in this camp, I release University, its Board of Trustees, officers, employees, and representatives from any and all liability to me and my child, our personal representatives, estate, heirs, and assigns for any and all claims, demands and causes of action for any and all illness or injury to my child, including death arising out of, during or in any way connected with this camp. I agree to indemnify and hold harmless, waive and covenant not to sue University, its Board of Trustees, officers, employees, and representatives, from liability for the injury or death of any person(s) or damage to property that may result from my child’s negligent or intentional act or omission while participating in the camp.

I hereby authorize the staff of this camp to act for me according to their best judgment in any emergency requiring medical attention. I authorize and give consent for University to administer general first aid for any minor injuries or illnesses experienced by my child. If my child is in need of emergency medical care and University is not able to reach me or the emergency contact, I authorize University to sign all necessary papers and arrange for emergency treatment and hospital care.

ATTENTION PARENTS AND/OR GUARDIANS: You must return this signed release of waiver of liability, in addition to your child’s registration form, application form, payment and scholarship application (if applicable). You may submit via scan/email to katrina.stevens@uaccb.edu, fax to 870.793.4988, mail to P.O. Box 3350, Batesville, AR 72503 or bring to 2005 White Drive, Annex 401A /CTE office.
KIDS’ COLLEGE SCHOLARSHIP APPLICATION

The University of Arkansas Community College at Batesville Kids’ College Scholarship is for a partial scholarship. This scholarship may be applied to the tuition costs for one week of the 2015 Kids’ College. There is no guarantee of funding. Scholarship funding depends on UACCB’s fund raising efforts and the number of applicants. Scholarship will be awarded based on a first come, first serve basis.

In addition to completing this form, parents or guardians must furnish a copy of their child’s Free/Reduced lunch eligibility letter on school letterhead, signed by a school official. You may request for the school to fax the Free/Reduced lunch eligibility letter to 870.793.4988. If student is home-schooled, parent or guardians must furnish a copy of the 2014 individual income tax return (1040). Deadline to apply for scholarship is May 29, 2015. The parent portion for the partial scholarship is $50. Your $50 payment ensures your child's reserved seat in classes and must be submitted with this scholarship application, the Kids’ College application, registration and release of waiver of liability (pp. 7-9). For more information, email katrina.stevens@uaccb.edu or contact 870.612.2082.
